POWER OF PRAYERS

A silhouette of a man sitting on a park bench, looking down at his hands in prayer, against a dramatic sunset sky. The man is wearing a light-colored short-sleeved shirt and dark trousers. The bench has the letters 'XKP' on its backrest. The sky is filled with warm, golden light from the setting sun, with some clouds. The foreground shows a field of grass.

DEDICATION

This work is dedicated for the pleasure of Allaah Sub'haanahoo wa
Tta'aala.

Chapter 2

PREFACE

I begin in the name of Allaah the Beneficent the Merciful.

All Praises belong to Allaah Sub'haanahoo Wa Ta'aala, The Most Compassionate, The Merciful, The Lord of The Universe and Master of the Day of Judgment. And we beg to Him to shower His choicest Blessings on the Holy Prophet (S.A.W.W.) and his pure Progeny (A.S.) (Ahlul Bait) who strived to the peak of perfection to restore and maintain the tenets of Islam.

The five times Namaaz is one of the pillars of Islam, if it is accepted by Allaah then all other good deeds shall also be accepted otherwise the carelessly prayed Namaaz will be thrown back on our face rendering other good deeds void and useless. Allaah (S.W.T.) says in the Holy Qur'an in Surah Maa'oon, verse: 4 and 5 that, "**Woe to those who do pray but are heedless in their prayer.**" Therefore, Namaaz is such a prayer that it should not be taken lightly. It is a prayer that takes us face to face in front of our Creator. We know that when the righteous persons were preparing for Namaaz their condition remarkably used to change due to the fear of God. So we should at least try to observe the sanctity of Namaaz to our best possible extent so as to reap its favourable fruits in this world as well in the Hereafter.

Likewise, Duaa (supplication) also plays an important role in our lives. Although it is not Wajib (obligatory) but is highly emphasized to recite Duaas at every time, especially after Namaaz. However, Duaa is also a prayer. Namaaz without Duaa is same as to a house without furniture. Duaa is a channel to express oneself to Allaah (S.W.T.) We have been given this weapon of Duaa so as to beseech, beg, and complain to our Merciful Lord concerning our needs and wishes, and seek protection from troubles and problems through the medium of Duaa.

And as for the Duaa to be effective it has the etiquettes to be followed faithfully. Duaa is like an application for obtaining something, so if it manifests carelessness it may never be responded. The similarity to it is

like a person in need going to the door of a rich person, if he begs with sincere humility there are more chances of getting what he wants, but if he begs carelessly or obstinately then the doors shall be closed on his face.

To make our Duaa to be effective and fruitful we should foremostly realize the Majesty of Almighty Allaah (S.W.T.) In our very hearts we should have His fear as well as hope. Cause of fear for our shortcomings and faults and sins, and as for the hope it should be for his never ending Mercy and love towards His creation. The Duaa of one who expects favours from other than Allaah is quite out of place. Therefore it is very essential to keep our thoughts clear of begging and expecting from others than Allaah.

The other factor to be taken in consideration for the effectiveness of a Duaa is to be clean of any worldly thoughts, selfish motives, pride, jealousy, vengeance and all other bad elements.

Furthermore, one of the etiquettes of beseeching Allaah is that before requesting Allaah to fulfill our own needs we should first recite Salawaat, praise Allaah (S.W.T.), thank Him for His previous bounties and favours, repent sincerely for our sins, then pray and plead for others, this is a way to express that we are not selfish or self-centered, and finally pray for ourselves. If the proper way is followed then there should not be any reason to despair.

Allaah S.W.T says in His Holy Book that whenever any one calls Him He answers, and that He is not far away from His creatures, He is nearer to us than the jugular vein in our neck. So it is only a question of pure intention and sincerity of our hearts to make our Duaa reach His kind attention. This is the forerunner in our prayers, if it is missed than one should be ready to face silence in response to his/her Duaa. This is a basic requirement. Pure intention and sincerity should be maintained upto the end.

One more thing is worth noting down, and it is that if you are not responded instantly do not despair, do not lose hope from The Merciful Allaah, keep on begging, and imploring, and supplicating, and beseeching, keep the door knocking, it will unlock one day. Moreover, Allaah (S.W.T.) is our Kind, Merciful and Powerful Creator Who knows quite well that which is beneficial and useful to us, so He gives according to His appropriate and just measure. If it was according to our wishes and cravings then imagine the ultimate result of a toddler begging for a loaded gun.

Although some Duaas and A'amaal will apparently be seen very attractive, and in fact they surely are so, but side by side, one should not under-estimate the values of pre-requisites. Only Allaah (S.W.T.) is the sole proprietor of whatever is in the earths and heavens, and He bestows according to His own wish. Are there not well-educated persons who are fed on fixed salaries? And are there not non-educated persons who control a sizeable part of economy? There are. So we must have a staunch belief in Allaah, and our sole relying and trust should be on Him only, that is Tawaqqul. Side by side with Duaa it is our duty to work hard for lawful earning and keep away from illegal ways and not to be deeply engrossed in the glitters of this temporary world. It is upto Him that when, what, where and how much to bestow.

May Allaah (S.W.T.) help and guide us achieve our lawful needs of both the worlds through sincere prayers and good deeds, in accordance to His pleasure only. Aameen.

This is my revised edition of POWER OF PRAYERS with some corrections and additionals that I very much hope will be useful to my faithful sisters and brothers-in-Faith...Inshaa'Allaah. I humbly pray to Allaah (S.W.T.) for the best rewards to shower on my daughters and sons who helped me to accomplish this work, and also those who in one way or the other helped me in this devoted cause *Iltimaas-e-Duaa*.

I also humbly offer my thanks to M/s Ansariyan Publications of Islamic Republic of IRAN for making this third edition successful, elegant and magnificent. May Allaah S.W.T. reward them all in both worlds with His choisest blessings.

Wassalaam.

Chapter 3

MAGHFIRAT-TAWBA (REPENTENCE)

It is very essential for every person to do Tawba and seek Maghfirat from Allaah for our sins, mistakes, and wrongdoings that were committed either knowingly or unknowingly. Allaah (S.W.T.) prefers the one who seeks pardon from Him and He is at that instance as happy as the one who had lost his every belonging and then suddenly found it in front of him. To seek pardon from Allaah (S.W.T.) is the remedy for every problem. Once a person came to Imam Ali (A.S.) and asked him for the solution of repaying the debts, he was told to do Tawba and seek repentance from Allaah. The other person came asking for the remedy of a sickness, he was prescribed the same thing. Yet another person came asking for the bestowing of an offspring from Allaah and he was also told to do Istighfaar as much as possible.

It should not be forgotten that we, being human beings are prone to committing sins, The sinless are nobody in the universe except the Ma'sumeen (A.S.) and the Prophets of Allaah (A.S.) Might be there are some Qaza Namaaz we have forgotten, or there might be some Namaaz prayed not on its time or hastily without due concentration; might be there are some Roza which were made Baatil and we do not know; might be there were some unobserved rights of our parents, children, of our relatives, neighbours, our teachers and scholars, of our workers, the needy and poor etc. It might also be that we have made mistakes in our earnings by taking that which was Haraam. Might be that we have not paid Khums or Zakaat properly. Might be in the case of performing Hajj or Ziyarat we have made some mistakes. Might be that we have committed some mistakes in our young age or because of improper understanding, or because of worldly attachment. And might be that we have not properly propagated our religion which is the duty of every individual according to the extent of his/her ability.

It should be kept in mind that while one seeks repentance then it should be a sincere repentance, that he or she is really sorry for the sins

committed, a firm resolution not to repeat again, and if anything unbecoming has occurred due to the sins it must be rectified to the best possible way. The wronged ones should be repaid, and some hardships should be taken on oneself so as to realize the gravity of past sins, and the flash and fat accumulated by wrongful means should be dissolved by means of fasting.

I hereby mention a few ways to seek **Maghfirat (repentance)** from Allaah (S.W.T.):

(Wherever you come over this sign [] it indicates that you may find the details in the final parts of this book }*

(1) Recite "**Astaghfirullaah Rabbee Wa Atoobu Ilayh**" as many times as possible, with sincerity.

(2) Try your best to wake up early before dawn to pray **Namaaz-e-Tahajjud (Shab)**. There are forty plus advantages in it.

(3) At any time pray two rak'at Namaaz, niyyat – **Namaaz-e-Afw**: In each rak'at recite Surah-e-Qadr after Al-Hamd and then recite fifteen times "**Rabbee Afwaka**", then go in Rukoo, after its zikr recite ten times "*Rabbee Afwaka*", then before going in Sajdah recite ten times "*Rabbee Afwaka*", then in the Sajdah recite it ten times after its zikr, then in between two Sajdah again recite it ten times, then in the second Sajdah recite ten times the same, then before standing for the second rak'at recite ten times the same (*Rabbee Afwaka*), and pray the same way during the second rak'at also.

(4) Perform Sunnat ghusl, do Wudhoo, and recite **Ziyarat of Bibi Fatima (S.A.)** and then recite Istighfaar, or any **Duaa for repentance**. (ref. Mafaatihul Jinaan)

(5) Recite **Duaa-e-Tawba**. (ref. M.Jinaan or Majmooa)

(6) Recite these Surah of Holy Qur'an – **S.Yaaseen, S.Tahreem, S.Waaqiah, S.Kaafiroon**. Specifically, S.Tahreem carries Sawaab of Tawba-e-NasooH.

(7) Recite **Ziyarat of Imam Radhaa (A.S.)** It is also a means of having our sins being pardoned.

(8) These magnificent Duaas are also a means of wiping our sins away: **Duaa-e-Mashlool, Duaa-e-Mujeer, Jawshan-e-Kabeer, Sayfi Sa-gheer, etc.**

(9) **Namaaz-e-Rasoolullaah (S.A.W.W.)**: Sins are forgiven and Ha-jaat fulfilled. Time for this prayer is preferable Friday morning, but it may be prayed on any time. (For the method of this Namaaz refer Ma-faatihul Jinaan).

(10) **Namaaz-e-Ameerul Mu'mineen (A.S.):** Its merits are as mentioned above.

(11) **Namaaz-e-Wasiyyat:** To earn great Sawaab and sins forgiven, in between Maghrib and Isha pray two rak'at Namaaz, in each rak'at after Al-Hamd recite 13 times Surah Zilzaal and 15 times S.Tawheed. [*]

(12) Recitation of **Salawaat** is also a means of atonement for the past sins.

(13) This is also very effective A'amaal to make our sins disappear from our A'amaalnaama: Perform Sunnat Ghusl then do Wudhoo and offer 4 rak'at Namaaz, in each rak'at after Al-Hamd recite 3 times S.Ikhlaas and once S.Maoozatain (S.Falak and S.Naas). After completing the Namaaz recite 70 times "*Astaghfirullaah Rabbee Wa Atoobu Ilayh*", then recite the following Duaa: "**Laa Hawla Walaa Quwwata Illaa Billaahil Aliyyil Adhweem, Yaa Azeezu Yaa Ghaffaar, Ighfirlee Dhunoobee, wa Dhunoobi Jamee'il Mu'mineena Wal Mu'minaat, Fa Innahoo Laa Yaghfirudh Dhunooba Illa Anta**".

(14) If one recites **Surah As-Sajdah** on the eve of Friday (Shab-e-Jumma) his or her A'amaalnaama (deed's record) will be given in the right hand, and this will be an indication of being pardoned of every sin.

(15) Reciting **Surah-e-Dukhaan** in Wajib or Sunnat Namaaz is a way to clear our account of sins.

(16) Pray 2 rak'at Namaaz in which recite 60 times S.Ikhlaas (Qulhuwallaah...) in each rak'at after Al-Hamd.

(17) Recitation of Duaas specifically for Maghfirat can be found in Mafaatihul Jinaan and Pirmuhammad Ebrahim Trust's Books of DUAA, which are there in various volumes.

(18) A very effective Namaaz for the forgiveness of sins is: **Namaaz-e-Ghufayla**. In between Maghrib and Isha prayers pray 2 rak'at, in the first rak'at after Al-Hamd recite this – **Wa Dhannooni Idh-Dhahaba Mughhaadhiban Fadhanna Anlan Naqdira Alayhi Fa Naadaa Fidh-Dhulumaati An Laa Ilaaha Illaa Anta Sub'haanaka Innee Kuntu Minadh-Dhwaalimeen Fastajabnaa Lahoo Wa Najjaynaahu Minal Ghammi Wa Kadhaalika Nunjil Mu'mineen**. Then continue the Namaaz as usual until you reach the second rak'at, there after Al-hamd recite this: **Wa Indahoo Mafaatihul Ghaybi Laa Ya'alamuhaa Illaa Huwa Wa Ya'alamu Maa Fil Barri Wal Bahri Wamaa Tasqutu Min Waraqatin Illaa Ya'alamuhaa Walaa Habbatin Fee Dhulumaatil Ardhi Walaa Ratbin Walaa Yaabisin Illaa Fee Kitaabin Mubeen**. Then in Qunoot recite this: **Allaahumma Bi Mafaatihul Ghaybil-Latee Laa Ya'alamuhaa Illaa Anta, Antu Swallee Alaa Muhammadin Wa Aali Muhammadin Wa An**

Taf'alabee...here beg your Haajat Then recite: **Allaahumma Anta Waliyyu Ni'amatee Wal Qaadiroo Alaa Twalibatee Ta'alamoo Haajatee Fa As'aluka Bihaqqe Muhammadin Wa Aalihee Alayhimus-Salaam Lammaa Qadhwatatahaa Lee.**

(19) Duaa of Hazrat Ilyas (A.S.) in Sajdah: **Ataraak Muazzabi wa qad adhama'tu laka hawaajiri, Ataraak Muazzabi wa qad affartu laka fitturaabi wajhee, Ataraak Muazzabi wa qad ijtanabtu lakal ma'aaswee, Ataraak Muazzabi wa qad as'hartu laka layli.**

(In this Duaa the supplicant pleads to the Almighty that:

O Allaah, shall You, The Most Merciful, be happy to see me burning in fire and in great torments although I have been observing fasts in hot weathers and endured acute thirst, and I have restrained from sins to please You only, and will You be happy to see me burning while I have kept night vigils for Your worship?)

(20) To be pardoned of our sins, Imaam Ja'afar Saadiq (A.S.) said: Everyday in the last Sajdah of the Naafilah of Isha, and especially on Thursday-night, recite this Duaa 7 times:

"Allaahumma Innee As'aluka Bi Wajhikal Kareem, Wa Ismikal Adhweem, Antuswalli Alaa Muhammadin Wa Aali Muhammad, Wa An Taghfira Lee Dhanbiyal Adhweem."

(21) Rasoolullaah (S.A.W.W.) said that whoever recites these seven verses on the **Friday-eve**, when he shall die he shall be directly admitted to Jannat:

"Allaahumma Anta Rabbee. Laa Ilaaha Illaa Anta Khalaqtanee Wa Anaa Abduka Wabnu Amatik Wa Fee Qabdhatik Wa Naaswiyaatee Bi Yadik Amsaytu Alaa Ahdik Wa Wa'adik Mastatwa'atu Aoodhu Bi Ridhaak Min Sharri Maa Swana'atu Aboo'u Bi Ni'amitik Bi Amali Wa Aboo'u Bi Dhambi Faghfirlee Dhunoobee Innahoo Laa Yaghfirudh-Dhunooba Illaa Anta."

(22) **Insistance in a request and keeping asking continuously gives favourable result.** The Holy Prophet (S.A.W.W.) said, "A servant of God says: O God! Forgive me. But God turns away from him. Again he will say: O God! Forgive me. God turns away from him the second time. The man again says: O God! Forgive me. Here God says to the Angels: Don't you see My servant? He asked Me for forgiveness while I was turning away from him. He asked for forgiveness for the second time. I turned away from him again. He asked for forgiveness for the third time. My servant realized that no one but Me forgives the sins. I take you as witness that I have forgiven him."

(23) Reciting **Surah-e-Takaasur** at bedtime saves one from Fishaar-e-Qabr. [*]

ABOUT DUAA

Imaam Ameerul Mu'mineen (A.S.) said that a person who is not afflicted with hardships or diseases and is living a happy life should not have this impression that he is no more in need of Duaa and the afflicted person is in need of it. How can one rest assured to be safe from afflictions and problems while everywhere the world is replete with them. If one is safe and sound today it does not carry a warranty of future happiness also. So it is inevitable that one is bound to stumble on a disease, troubles, difficulty, or any problem in any coming days. Therefore it is of intensive necessity for us to turn towards our Creator Lord for the help and salvation during the difficult times, and it is through Duaa.

Our Aammaah (A.S.) considered Duaa as a weapon and a shield. Imaam Musa-e-Kaadhim (A.S.) said, **"Duaa reverts both what has been destined and that which has not been destined."**

Imaam Zaynul Aabideen (A.S.) said, **"Duaa and afflictions challenge each other until the Day of Judgement, yet Duaa comes out victoriously even if the afflictions are certain to happen."**

And, **"Duaa removes both the present affliction and that which will come down later."**

The Holy Qur'an quotes the importance of Duaa in these verses:

"Say, my Lord would not care for you were it not for your Duaa." – S.Furqaan: 77.

"And call on Him fearing and hoping." – S. A'araaf: 56.

"And when My servants ask you concerning Me, then surely I am very near; I answer the prayer of the supplicant when he calls on Me, so they should answer My call and believe in Me that they may walk in the right way." S.Baqarah: 186.

Imaam Ja'afar Saadiq A.S said, **"Whoever obeys God's orders and offers his "Duaa" properly, they will be answered."**

He also mentioned proper way of beseeching, he said, **"First praise God Almighty, then remember Him and thank Him for His blessings. After that, send greetings to the Holy Prophet and his Progeny (Slawaat), then confess your sins and ask forgiveness for them. That is the right way for Duaa."**

At certain times we wish for something and we get it, then we wish for the removal of its evils, which appear in the form of its side effects; and at certain times we experience the opposite of this. In this connection Imaam Ali (A.S.) said, **"On many occasions man desires something but when his desire is fulfilled he wishes it had never been fulfilled."** In

Surah Baqarah verse 216 Allaah says, **“It may be that you dislike a thing while it is good for you, and it may be that you love a thing while it is evil for you, and Allaah knows, while you do not know.”**

Imaam Saadiq (A.S.)’s advice to Meiser Ibn Abdul Azeez, **“O Meiser! call upon God and not say to yourself that the die is cast, for there is a rank with God man can not attain without asking for it. If God’s servant closed his mouth and does not ask anything from Him, nothing will be given to him. Therefore ask God for what you need so that He will give it to you. O Meisar, whoever knocks on a door and persists will be allowed in.”** And, **“Whoever does not ask for God’s special grace, will remain destitute.”**

Imaam Ali (A.S.) said, **“Never have this impression that God Almighty has opened the door of Duaa but has closed the door of answering Duaa.”**

One of the exhortations of God to Nabii Isa (A.S.), **“O Isa! humble your heart before Me and remember Me in private and let it be known to you that I become happy when you come towards Me with hope and fear. Don’t you ever do it with a dead heart, do it with a living heart.”**

If a Duaa is sensible and is reasonable to be answered quickly it will be done so; but if its delay is good then the answer shall be delayed, in this case the advantage of Duaa is that it will be answered and reward for the patience will be granted. If the Duaa is not sensible, rather it has evil consequences, then the very Duaa has a reward and moreover, it may keep away afflictions.

A Hadeeth by Abu Saeed Khudhri quoting the Holy Prophet (S.A.W.W.) said, **“If a believer calls upon God and does not ask Him for cutting off family relations or a sinful deed, God Almighty will give him one of these three things: (a) his Duaa will be answered quickly, or (b) there will be delay in his Duaa being answered, or (c) Allaah will repel from him an evil act equal to what he has begged.”** The companions said: **“O Messenger of Allaah, therefore we should increase our Duaas.”** The Holy Prophet (S.A.W.W.) said, **“God answers Duaas most frequently.”**

In a Hadeeth from Malik Ibn Anas it is said that the Prophet repeated it three times sayng, **“God answers our Duaas most of the time.”**

Imaam Ali (A.S.) said, **“Sometimes God Almighty delays answering the Duaa so as to give both, a greater reward and a further blessing.”**

Jaabir bin Abdullah Ansaari has quoted the Holy Prophet (S.A.W.W.) saying, **“If a servant favoured by God supplicates, God says to Jibraeel, ‘Grant his request but delay it, for I like to hear his voice more and**

more.' But if someone, in disfavour with God supplicates, God says to Jibrael, 'O Jibrael grant the request of My servant with haste, for I don't like to hear his voice.'"

If our Duaa is not answered quickly we should be pleased with God's decree and consider it as a blessing. The Holy Prophet (S.A.W.W.) said, **"Do not abhor God's blessings nor ask for anything without giving it a thought. If affliction befalls sustenance and life of any one of you, do not ever ask for a change, since a change may lead to death or destruction. You should rather say, "O God by the position of Muhammad (S.A.W.W.) and his Household, if there is a blessing in what has befallen me, make me patient and give me not only the power of forbearance, but make me pleased with it too. Yet if there is blessing in something else, give that something to me. At any rate, make me pleased with your decree, for praise is due only to You."**

For the Duaa to be answered favourably, time, place and circumstances should be taken in consideration, because there are specific times and places whereat we may receive prompt fulfillment. As for the time, the day of Friday and its night are most meritorious, specifically during the one-hour-before-noon. On Wednesday between noon and afternoon is also a proper time for presenting our requests to the Almighty Allaah (S.W.T.)

The Holy Prophet (S.A.W.W.) said, **"Anyone of you who has a need, should request it during night-prayer (Namaaz-e-Shab), for it is specially for you and it has not been granted to former nations."**

The last third of every night and Friday-night is also an excellent opportunity to request our needs from Almighty Allaah (S.W.T.)

Other occasions and times for making Duaa a success are: Ahya Nights (spending nights vigil), 1st night of Rajab, 15th Sha'abaa night, the night of Eedul Fitr, the night of Eedul Dhuhaa, the day of Arafaat, when the wind is blowing, when the call to prayer is made, when it is raining, when the first drop of a Martyr's blood is dripped, when noon arrives, and from dawn to sunrise.

Imaam Saadiq (A.S.) said, **"When noon arrives, the gates of heavens will be opened and great desires will be fulfilled."**

Imaam Baaqir (A.S.) said, **"God answers the call of those servants of His who often pray (Duaa). Therefore pray at dawns until sunrise, for the gates of Paradise are opened at this time. Daily food is distributed at this time and great needs are met."**

It is stated in a tradition book that one who merely recites Duaa without doing a good deed is like an archer who wishes to shoot an

arrow but has not got a bow. So before requesting Allaah (S.W.T.) in a Duaa we should do any one of the good deeds.

One should do Duaa before a problem or trouble has ascended to be safe from it. Imaam Jaa'far Saadiq (A.S.) said, **"If a man recites a Duaa before the descent of a tribulation his Duaa will be fulfilled during its descent and it is said: 'It is a familiar voice which is not hidden from heavens.' But one who has not recited Duaa before, his Duaa during the descent of tribulation will not be fulfilled, for the Angels will say, 'We do not recognize this voice.'"**

A Hadeeth-e-Qudsee reads: **"You have to recite Duaa and I have to fulfil it, for no Duaa is hidden from Me but that of one who eats unlawful things."**

The Holy Prophet (S.A.W.W.) **"Whoever wishes to have his Duaa answered, must purify his daily food and business." And, "Cleanse the source of your daily food and do not eat unlawful things." Imaam Saadiq (A.S.) said: "Renouncing one morsel of unlawful food is so much loved by Allaah that it is much better than performing thousand rak'ats of recommended prayer."**

Ameerul Mu'mineen (A.S.) said that God revealed to Nabii Isa (A.S.) to say to Bani Israail, **"Do not enter any one of My houses until you have modest eyes, pure heart, and innocent hands. Also give them this information that I will not answer the Duaa of anyone of them while the right of one of My servants rests upon them."**

It is reported on the authority of the Holy Prophet (S.A.W.W.) that Allaah (S.W.T.) says, **"Whoever asks something from Me and is sure that gain and loss are in My hand, I will fulfil his desire."**

The most benefited persons are those who have staunch faith in the Mercy of Almighty Allaah (S.W.T.) and possess good opinion of Him. Allaah says, **"My opinion of My servant is his opinion of Me. Therefore, he should have good opinion of Me." One of the revelation of Allaah to Nabii Moosa (A.S.) was, "O Moosa! Should you call on Me hoping, I will soon forgive you."**

Certainly, why should not a person have a good opinion of All-Merciful And Most Generous Allaah (S.W.T.) while His Mercy precedes His wrath? When Allaah, the Most High, created Adam (A.S.), He blew in him from His Own spirit, Adam (A.S.) sat and sneezed, he was inspired to say **'Al-Hamdu Lillaahi Rabbil Aalameen'**, he said thus and Allaah (S.W.T.) in response said, **'May God have Mercy on you O Adam!'** So the first words to the human being were of Mercy from the Lord of Universe.

When Allaah (S.W.T.) sent Nabii Moosa to Firawn He said to tell Firawn that Allaah is more speedy in Mercy and Forgiveness than wrath and punishment.

When Firawn was drowning in the sea, for such a staunch enemy Allaah said to Moosa (A.S.) that if at all he had asked help and forgiveness from Him He would certainly have saved him.

In Surah-e-Muhammad (S) Allaah (S.W.T.) says, **“So know that there is no god but Allaah, and ask forgiveness for your fault and for the believing men and the believing women.”**

These are but a few examples of God’s Mercy. His ocean of Mercy is limitless. We are told to make Duaa for others also, and we are told to pray for the diseased, to give a helping hand to the needy, and many such deeds prove that Mercy of Allaah is in abundance. A hadeeth also quotes that to despair of Allaah’s Mercy is a major sin.

Concerning making haste in Duaa Imaam Ja’afar Saadiq (A.S.) said, **“Allaah will fulfil the desire of a person who does not make haste in Duaa.”** Therefore we should make our Duaa a comfortable, pleasing, pleading, humble and secret communion with Allaah (S.W.T.)

A revelation made to Nabii Moosa (A.S.) was this, **“O Moosa, when you are calling on Me be humble, fearful and broken-hearted, rub your face on earth, and prostrate before Me with your best body members, raise your hands in begging before Me in Qunoot and invoke Me fearfully in your Duaas.”**

To Nabii Isa (A.S.) Allaah said, **“O Isa! Call on Me as a person who is drowning and being oppressed and has no any helper. O Isa! Humble your heart before Me and remember Me in private most of the time. Know that I am happy when you come to ME with fear and hope. Don’t come to Me with a dead heart come with a living and happy heart. Let Me hear a sad voice.”**

It is mentioned that we should always praise Allaah (S.W.T.) before presenting our needs to Him. The Imaam was asked how we should praise Allaah. He said to recite this: **“Yaa Man’huwa Aqrabu Ilayya Min Hablil Wareed, Yaa Man’yahoolu Baynal Mar’i Wa Qalbihee, Yaa Man’huwa Bil Mandhwaril A’alaa, Yaa Man Laysa Kamithlihee Shay’un.”**

It is stated that whoever has a Haajat should **first recite Salawaat** on the Holy Prophet (S.A.W.W.) and his Holy Progeny (A.S.), then present his/her needs to Allaah (S.W.T.) **and finally recite Salawaat** again. Salawaat is always answered, and it is a type of Duaa to beseech

blessings on Muhammad (S) and Aali Muhammaad (A.S), and Allaah is too generous to answer two sides of Duaa but abandon the middle one.

It is mentioned about weeping that it is a source of acceptance of Duaa if one sheds tears while requesting his or her needs in front of Allaah. Weeping is the sign of humility, tender-heartedness and devotion, which are the most required qualities of fulfillment of Haajaat. Imaam Saadiq (A.S.) said, **“Whenever you trembled to the skin, your eyes were replete with tears and your heart became apprehensive, keep that state well, for you have attained your objective.”**

There are virtues in shedding tears for the fear of God, which are not found in other prayers. Hadeeth: **‘There is a defile between Paradise and Hell through which no one can pass but who sheds tears in fear of God.’**

The Holy Prophet (S.A.W.W.) said, **“God blessed me and said, ‘By My Glory! What those who shed tears receive from Me can never be received by the worshippers. I will build palaces for them in lofty places, and others will not share with them.’**

Imaam Saadiq (A.S.) said, **“All eyes shall weep on the Day of Judgement except three eyes: (1) Those eyes which do not see unlawful things, (2) those eyes which pass the night in prayers, and (3) those eyes which shed tears in fear of God.”**

“Every thing has a weight and measure save tears with a small amount of which God will extinguish seas of fire. If a man weeps for an Ummaah, God will make that Ummaah entitled to His Mercy as a result of weeping of the same servant.”

Abu Hamza has reported on the authority of Imaam Baaqir (A.S.) that **nothing is more beloved to God then a drop of tear shed in the dark of night for the fear of Allaah (S.W.T.).**

Imaam Saadiq A.S said, **“If weeping does not give you a positive response and tears do not come to your eyes, pose as one who is weeping, even if the tear is the size of a head of a fly, for blessed will be your state.”**

Therefore, if a person wants to be really humble in front of Allaah (S.W.T.) then he / she should make up the mind to shed tears so as to please The Lord. Remembering the past sins, mistakes in life, wrong doings, unlawful earnings, oppressions, injustices, incorrect worships, gossips, back bitings, the fire of Hell, the horror of Qayaamat, the wrath of Allaah, and all such things are sufficient means to make one cry and shed a bucketful tears from eyes.

Imaam Saadiq (A.S.) said, **“Duaa in the time of ease and comfort is good for the days of affliction.”**

“Whoever recites Duaa for forty believers and then for himself, his Duaa will be fulfilled.” “Nothing is more swiftly answered than a Duaa recited for others.” “The most swiftly answered Duaa is that of a believer for his brother in faith in his absence.”

Imaam Kaadhim (A.S.) said, **“Whoever recites Duaa in absence of his brother-in-faith, there is a call from divine throne saying: ‘Let a hundred thousand times more than it be for you.’”**

One important thing should be mentioned here. It is that the Duaa for others should come out from the bottom of the heart, it should not be a mere lip-service.

Abu Baseer once asked Imaam Ja’afar Saadiq (A.S.) regarding raising hands in Duaa. The Imaam replied, **“It has five characteristics, 1- To seek refuge from God you should put the palms of both hands towards Qibla. 2- To have your sustenance increased, open your hands and put the palms of both hands towards the sky. 3- To give up hope in anyone but God, point with the index finger. 4- To supplicate, raise your hands above your head. 5- To supplicate move your index finger against your face, for it is the Duaa of fear. Humility in Duaa is to raise both hands to the level of shoulders.”**

Regarding the wiping of hands on the face after Duaa Imaam Baaqir (A.S.) said, **“No man extends his hands towards God unless God is ashamed of returning it empty and puts some of His bounty and Mercy – that amount which He wills – in it. Therefore when one of you recites Duaa do not pull back your hand without having drawn it on your face.”**

Imaam Muhammad Baaqir (A.S.) said, **“A believer should recite Duaa in the times of ease and comfort as in the times of hardships. He should neither become infirm nor tired of Duaa when his desire has been fulfilled, because Duaa has a dignity with God.”**

Imaam Ja’afar Saadiq (A.S.) said, **“The believer calls upon God for his desire and God will say: Let there be a delay in fulfillment of his desire, for I love his voice and Duaa. On the Day of Judgement He will say: My servant! You called upon Me but I made delay in fulfilling your desire. Your reward is such and such. You called on Me on such and such affair too and I made delay in fulfilling your desire too your reward is such and such. Then the Imaam said: By observing the great divine rewards the believer shall wish that it would have been most excellent that if none of his desires in the world had been fulfilled.”**

Imaam Saadiq (A.S.) was asked that can a Duaa recited by a person be fulfilled but after a delay? The Imaam said, "Yes, even as long as twenty years. From the time God said to Moosa and Haaron (A.S.) that their call was answered, to the descent of torment on Firawn, it was forty years."

Abu Baseer reported from Imaam Saadiq (A.S.) that the believer recites Duaa but its fulfillment is delayed till Friday.

One of the revelations to Nabii Moosa (A.S.) "One who believes that he loves Me but goes to sleep when night comes must be lying in his belief. O son of Imraan! How good it was if you could see those rising for prayers in darkness. While I am showing them My image. Though My position is Most High, they address Me as if I am in their presence, and though I am Almighty they speak to Me as if I am in their presence. O son of Imraan! Give Me tears of your eyes, humility of your heart, and modesty of your body. Then call Me in the darkness of the night to find Me as one who answers soon."

Imaam Baaqir (A.S.) said, "A man asks his worldly desire from God, and He too, due to His grandeur, fulfils that desire sooner or later, but thereafter the man commits sins. Here God says to the Angel appointed to fulfil that desire: Do not fulfil his desire, for he has provoked My wrath and should be deprived of My favour."

IMPORTANT NOTE:

Proper pronunciation of every word of a Duaa is very important, and as it is seen almost all the Duaas are originally in Arabic language, while the irony of fate is that majority of us do not know this language, some know to read but not writing while others know reading and writing but they unfortunately do not know the meanings. Some words with the very slight articulation of tongue or lips does change drastically the main meaning of the whole text. Although I have tried my best to express in words the pronouncement to the nearest possible sound, but Duaas written in English can never be equal to what they are originally written and pronounced in Arabic. Therefore, it is our duty to give priority to learning our spiritual language – Arabic, so as to be well-versed with our Holy Book and all the invaluable literatures. Howsoever, one who does not know Arabic should pay full attention to pronouncing of every word to the best possible extent he or she can do. Although it is said that God sees what is in our hearts and minds then also we should not sit rest assured if there is some possibility to learn this distinguished language of our Majestic Book, our Prophet, our Imaams, and all heavenly beings. But one should not be despaired, be sure, it is only Allaah (S.W.T.) who have the authority to accept our Duaa in whatsoever way, method, means or type He pleases.

Chapter 5

HAAJAAT

Almost all human beings do have something to ask for from Almighty Allaah. Some have a craving for some lawful worldly objects, some have to ask for solutions of their problems, some longing for remedy of illness and getting good health, while some have the far-sight of asking favours of the next world. Thus every one has something to ask from his/her own angle of view.

There are numerous Duaas and A'amaal shown to us by our Aimmaa (A.S.) for fulfillment of our Haajaat. If we supplicate sincerely observing all the needed conditions then there is a sure response for it. But sometimes we see that in spite of all our Duaas and beseeching we do not get our Duaa answered. There are many reasons for it, e.g. our mode of approach may be not suitable, or, may be we are not the proper candidates for what we ask for, or, may be we are not in a proper condition, either physically or spiritually, or, may be the thing we ask for is harmful for us and we have no knowledge of it, or, may be Allaah has kept in store much more magnificent thing for future then that we ask for, or, Allaah knows best what is good or bad for us.

He definitely loves all His creatures and so he can't give a thing to us that may do more harm then good. It is also mentioned in some Hadees that we should not stop asking for our demands from Allaah even if we see that is not fulfilled, because for every unfulfilled Haajat there is a surprise gift for us in the next world, the gift which is so marvelous and indescribable that when it will be given to us there we will wish that it would have been very good if all our Haajaat in the world were not answered.

Hereby are some A'amaal for the fulfillment of Haajaat:

(1) For a problem to be solved easily first pray **Namaaz-e-Shab**, then **Ziyarat-e-Aashura**, and finally recite **Ziyarat-e-Jaamiah**. This was prescribed by Imam-e-Zamaana A.F. (ref. Mafaatihul Jinaan).

(2) Reciting **Ziyarat of Imam Ali (A.S.) and Imam Hussain (A.S.)** is also highly recommended for Haajaat.

(3) Perform **Ziyarat-e-Aashura** with the intention of offering its Sawaab to the Revered Mother of Imam-e-Zamaana A.F. and then ask for your Haajat.

(4) Offer the Sawaab of complete recitation of the **Holy Qur'an** to Janab-e-Bilaal, the respected Muezzin of the Holy Prophet (S.A.W.W.)

(5) On Friday-night recite **Duaa-e-Mashlool** eleven times after Isha prayers.

(6) It is stated that, if your Haajat is to be answered lately, then recite **Duaa-e-Tawassul**, this will hasten its fulfillment.

(7) Imam-e-Zamaana A.F. intercedes to Allaah for our Haajat if we recite **Amman Yujeebul Mudhtarra Idhaa Da'aahu Wa Yakshifus-Sooa**.

(8) Pray 2 rak'at Namaaz after midnight, in each Sajdah and after getting up from Sajdah recite 25 times: **Salawaat, Bismillaahir-Rahmaanir-Raheem, Yaa Ghiyyasal Mustagheeseen**. After finishing the Namaaz look towards the sky and recite 30 times: **Minal Abdidh -Dhaleel Ilal Mawlal Jaleel**.

(10) To convert an impossible task into a possible one:
Pray 4 rak'at Namaaz in units of two rak'at. In the 1st rak'at after Al-Hamd recite 11 times Surah Ikhlāas (Qulhuwallaahu...) in the second rak'at after Al-Hamd recite S.Ikhlāas 21 times, in the 3rd rak'at 31 times, and in the 4th rak'at 41 times. After finishing the Namaaz recite 51 times **Salawaat** and then go into Sajdah wherein recite 100 times **Yaa Allaahu** and beseech Allaah for your Haajat.

MARHOOM PARENTS

Allah (S.W.T.) emphasizes the worth and importance of parents at various places in the Holy Qur'an. It is enough for the wise person to realize this when he observes that the obedience of parents is mentioned side by side with the worship of Allaah. It is also authentically mentioned that if your parents are not pleased with you all your worship and good deeds are gone waste, they don't have any value. And it is not limited for the living parents only but even if they are dead you must remember them by praying for them, attributing some good deeds to them, and rectifying their faults (if any) in a proper way. Perhaps at the time of departure from the world the parents were not pleased at heart with their children, but if the children give due attention to their parents' well-being in the Hereafter by some good deeds, they become pleased to them.

The world that is five feet under the earth is certainly a dreadful place for the sinners. Although we should consider that all are pious and righteous but one never knows in what condition there the diseased is. Perhaps they are enjoying the fruits of their good deeds and perhaps they are in trouble because of some lapse during their lifetime. So if we perform any good deed on their behalf or offer a Namaaz for them they surely are benefited by it, and it is said that **our 2 rak'at Namaaz for the Marhoom is better for them than the riches of the whole world**. If they are not in any trouble there then the bounties are increased for them and if they are in any tribulation then their pain is lessened or wiped off. Moreover, the performer of good deed is also to be rewarded.

Here below are stated some A'amaal for the benefit of diseased parents, although they are said to benefit them but the performer of these A'amaal are also nicely rewarded.

Especially on every Friday-night and on Friday children of the Marhoom should pray for their parents and give charity on their behalf.

(1) Reciting **Surah-e-Yaaseen** is very beneficent for the Marhoom. He/she is tremendously rewarded for it.

(2) If one recites **Surah-e-Mulk** or 7 times **Surah-e-Qadr** by the side of Marhoom's grave, God-forbid if any punishment is being implemented therein, it is instantly ceased.

(3) Whenever you wish you can pray **2 rak'at Namaaz** for Marhoom, it gives a great joy to the diseased.

(4) On **Friday-night (Shabe Jumma)** or on any day you may pray **2 rak'at Namaaz between Maghrib and Isha** with Niyyat of **Maghfirat-e-Waalidayn**. In the first rak'at after Al-Hamd recite 10 times **Rabbigh Firlee Waliwaalidayya Walil Mu'mineena Yawma Yaqoomul Hisaab**. And in the second rak'at after Al-Hamd recite 10 times **Rabbigh Firlee Waliwaalidayya WalimanDakhala Baytiya Mu'minan Walil Mu'mineena Wal Mu'minaat**. Then complete the Namaaz as usual. Then go into **Sajdah** and recite 10 times—**Rabbir Hamhuma Kamaa Rabbayaani Swagheera**.

(5) Some Tasbeeh of **Salawaat and Istighfaar** should be offered on behalf of Marhoomeen every now and then.

(6) Pray **2 rak'at Namaaz** for the benefit of Marhoom, in the first rak'at after Al-Hamd recite **Surah-e-Qadr** and in the second recite **Surah-e-Kawsar**.

(7) There is another **Namaaz** also for Marhoom. It is 2 rak'at, in the first rak'at after Al-Hamd recite **once Aayatul Kursee and Surah-e-Ikhlalas 2 times** and in the second rak'at after Al-Hamd recite **Surah-e-Takaasur 10 times**. This also carries a great reward for Marhoom and the reciter also.

(8) *If at all the son or a daughter did not fulfill the rights of their parent during their lifetime, then they should pray this Namaaz. InshaaAllaah the Marhoom parents shall be pleased with them:* Time: **on the night between Wednesday and Thursday**. In **between Maghrib and Isha**. Niyyat: Fulfillment of the rights of my parent(s). **Namaaz; 2 rak'at**. In each rak'at after Al-Hamd recite **5 times Aayatul Kursee, 5 times Surah-e-Ikhlalas, 5 times Surah-e-Kaafiroon, 5 times Surah-e-Falak, and 5 times Surah-e-Naas**. After you finish praying the Namaaz in this way recite **15 times Astaghfirullaaha Wa Atoobu Ilayh**. Dedicate the Sawaab of this A'amaal to the Marhoom parent and you shall get the reward of fulfilling their rights.

(9) *If at all, you suspect that there were some wrong transactiones committed by your parents so you would naturally wish that they should not be punished for that. Therefore its remedy is that first you should try to rectify if possible, try to make the wronged pepople be pleased with your parents by recompensing some thing that they would appreciate,*

and then observe this prayer on behalf of your parents: Pray **4 rak'ar Namaaz** in sets of 2 rak'at each. In the 1st rak'st after Al-Hamd recite **Surah-e- Ikhlaas 25 times**, in the 2nd rak'at **50 times**, in the 3rd rak'at **75 times** and in the 4th rak'at **100 times**. After Namaaz recite this *Duaa*: **Al-laahumma Swalli Ala Muhammadin Wa Aali Muhammad, Bismil-Laahir-Rahmaanir-Raheem. Yaa Nooras Samaawaati Wal Ardhi Wa Yaa Ghawthak Mustagheeseen, Yaa Jaaral Mustajeereea Antal Munzalu Bika Kullu Haajatin Astaghfiroo Atoobu Ilayka Mimmadhaalimi Katheeratin Li Ibaadika Qablee Allaahumma Fa Ayyu Maa Abdim Min Ibaadika Aw Amatin Min Imaaika Kaanat Lahoo Qablee Mudhlimatun Dhwalamtuhaa Aw Fee Ardhihee Aw Fee Maalihee Aw Fee Ahlihee Wa Waladihee Aw Gheebatun Ightabtahoo Bihaa Aw Tahammulin Alayhi Bimaylin Aw Hawan Aw Anfatin Aw Hamiyyatin Aw Riyaain Aw Asabiyyatin Ghiyaaban Kaana Aw Shaahidan Wa Hayyan Kaana Aw Mayyitan Fa Qasurat Yadee Wa zaaqa Wus'ee Aw Ruddahaa Ilayhi Wat-Tahallulee Minhoo Fa As'aluka Yaa Man Yamlikul Haajata Wa Hiya Mustajeebatun Li Mashiiyyatihee Wa Musriatun Ilaa Iraadatihee An Tuswallee Alaa Muhammadin Wa Aali Muhammad Wa An Turdhiyahoo Aniyy Bimaa Shi'ta Min Khazaaini Rahmatika Thumma Tahaba Lee Min Ladunka Rahmatan Innahoo Laa Tanqusukal Maghfiratu Walaa Tadhurrukal Moohibatoo Rabbi Akrimnee Birahmatika Walaa Tukhzinee Bi Dhunoobee Innaka Waasiul Maghfiratee Yaa Arhamar-Raahimeen Allaahuma Swalli Alaa Muhammadin Wa Aali Muhammmad.**

DISEASE / ILLNESS / SICKNESS

The All-Merciful Allaah (S.W.T.) is so much kind towards His creation that when a person falls sick he is rewarded for it. It is narrated that the Angels who record deeds are commanded to record the good deeds of a sick person even though he has not performed any good deed during his sickness, but only because he used to do good deeds during his healthy days. Even when a person becomes old and he can't perform the good deeds which he used to perform in his youthful and healthy days, Allaah (S.W.T.) credits his account of good deeds because he used to do it in his good days.

Imaam Muhammad Baaqir (A.S.) said that remaining sick and painful for one night is better than the worship of one year; a fever of one night is the means of Kaffaara of one year's sins. But this advantage is only for that person who does not complain for his or her sickness or pain.

Imaam Ja'afar Saadiq (A.S.) said that the person who is a beloved of Allaah is bestowed with either of these three gifts, fever, headache, or paining eyes.

Howsoever, there are many causes of disease and sickness. One of the causes may be because of our own negligence on the part of hygiene, or it is hereditary, or it is because of carelessness in consumption of food, or it may be atonement for our sins. Howsoever, it is everybody's duty to be on safe side and protect oneself from disease at whatever extent it is possible.

Nevertheless there are some people who are quite fit but they do not feel well any day. They always complain about their health and they really look like sick, but they are not. This is because of mental thinking of a person; psychological problem causes him or her to consider oneself to be a sick person while physically they might be very well. If one removes the negative thinking from his mind he is surely cured without a tablet of medicine. In contradiction to this there are people who create such a firm will-power in their minds that even they are really sick, but

they do not pamper their thought of sickness and thus we can see they live the life as wonders.

However, besides the precautions and cures we must also seek help from Almighty Allaah (S.W.T.) because no medicine can work without His permission. There is a well-known episode of Nabi Moosa (A.S.) that once when he was sick he sought help from Allaah (S.W.T.) He was directed to go to the bush and collect a certain type of herb to use for his sickness. He did accordingly and was cured. Next time when he was sick he went directly to the bush, collected the herb and used it but with no effect. Enquiring from Allaah he was told that the first time he asked help from Allaah so he was successful but the other time he did not do so, that was the reason.

Hereunder are the mention of some essential Duaas and A'amaal, In-shaa- Allaah, for the complete cure of disease, illnesses, and sicknesses.

HEREAFTER

! It is very beneficial to recite this Duaa at various instances for the forgiveness of our sins, specifically this helps at the last moments of life when it is a critical moment of the departure of soul to the next world: **Yaa Man ' Yaqbalul Yaseer, Wa Ya'afoo Anil Katheer, Iqbal Minnil Yaseer, Wa'afoo Anneel Katheer, Innaka Antal Ghafforur-Raheem.**

! As the last moments of life are very critical and Shaytaan comes to destroy our Eemaan it is of utmost importance that one should always preserve in mind all the five Usool-e-Deen and beseech Allaah (S.W.T.) that on his last moments he should be firm on them. Ask Allaah by the following Duaa that this is your trust and that he return it to you at the time of death: **Allaahumma Yaa Arhamar-Raahimeen, Innee Qad Awada'atuka Yaqeenee Haadhaa Wa Thabaata Deenee Wa Anta Mustwdioo Waqad Amartanaa Bi Hifdhil Wadaai'a, Fa Ruddahoo Alayya Waqta Hudhooree Mawtee.**

[It is necessary that we understand in detail the meanings of Tawheed, Adal, Nubuwwat, Imaamat, and Qayaamat. The apparent meaning for mere memorizing shall not avail us of any good.]

! For experiencing ease when the time to depart from this world comes one should always practice atleast these two things: (a) be obedient to parents, and (b) do Seela-e-Raham, i.e. to be lenient, kind, forgiving and generous to relatives.

! Always recite **Surah-e-Zilzaal** in Sunnat Namaaz. [*]

! To depart with Eemaan one should (a) recite **Surah-e-Mu'minoon** on Fridays, (b) recite **Duaa-e-Tamjeed** of Saheefa-e-Kaamila Duaa no:11.

! For being safe from **Fishaar-e-Kabr** ; On the eve of 1st Rajab pray 20 rak'at Namaaz as usual of 2 rak'at each, and after Al-Hamd recite S.Ikhlaas once. And on the day of 1st Rajab recite 10 rak'at Namaaz in each rak'at after Al-Hamd recite S.Ikhlaas 3 times.

! On the eve of 7th Rajab: Pray 4 rak'at Namaaz, in each rak'at after Al-Hamd recite 3 times Surah-e-Tawheed and once Maoodhatain (S.Falak and S.Naas), after Namaaz recite Salawaat and 10 times Tasbihaat-e-Arba'aa. The benefit of this A'mal is that you will get the Sawaab of those who have fasted, Sakaraat will be easy, Fishaar in the grave will be removed, and you will be happy on the Day of Judgement.

! On the eve of 22nd Rajab: Pray 8 rak'at Namaaz, in each rak'at after Al-Hamd recite 7 times Surah-e-Tawheed, after Namaaz recite 10 times Salawaat and 10 times Istighfaar.

! Observe fasting for 4 days on any day in the month of Rajab and 12 days in the month of Sha'baan.

! In Sha'baan, at any time pray 4 rak'at Namaaz, in each rak'at after Al-Hamd recite 50 times Surah-e-Tawheed.

! Anyone reciting 100 times **Laa Ilaaha Illallaahul Malikul Haqqul Mubeen** daily, will be free from the fear and dreadfulness in the grave.

! To be safe from **Fishaar-e-Kabr** one should recite **Surah-e-Nisaa** and **S.Zukhruf on Fridays**; should also recite **S.Qalam** in **Sunnat Namaaz**, and should recite **S.Mulk** and **S.Taqaasur** at the time of going to sleep.

! On the eve of Friday (Jumma Raat) pray 2 rak'at Namaaz in each rak'at after Al-Hamd recite **Surah-e-Zilzaal** 15 times. [*]

! In the **Qunoot** of Namaaz recite: **Rabbanaa Laa Tuzigh Quloobana Ba'ada Idh Hadaytanaa Wa Hablanaa Min Ladunka Rahmatan, Innaka Antal Wahhaab.** And / Or another Duaa: **Yaa Allaahu Yaa Rahmaanuu Yaa Raheem Yaa Muqallibal Quloob Sabbit Qalbee Alaa Deenik.** And / Or: **Rabbanaa Afrigh Alaynaa Swabran Wa Tawaffanaa Muslimeen.** And/Or: **Tawaffanee Musliman Wa Alhiqnee Bis-Swaaliheen.** And/ Or: **Rabbanagh Firlanaa Dhunoobana Wa Israafinaa Fee Amrinaa Wa Thabbit Aqdaamanaa Wansurnaa Alal Qawmil Kaafireen.**

! If one always recites **Surah-e-Al-Haaqqah** his Imaan will be safe for ever.

! **Duaa-e-Adeelah** is such a Duaa that if Shaytaan tries all his technics to destroy the **Imaan** but he will fail. So it is essential that we should often recite this Duaa. (refer Majmooa).

! Praying **Namaaz-e-Shab** regularly saves one from the squeeze of grave and grant immunity from the Hell-fire. [*]

! To remain in the state of Najaasat after urinating, creating mischief amongst people, back-biting, and Qat-e-Raham are the **causes of squeezing in the grave**, so these should be avoided from the very root cause.

! The first night in the grave is the most dreadful time for the deceased. The Holy Prophet (S.A.W.W.) said to give **Sadaqa** for the safety of the dead person, and if you do not have anything for Sadaqa pray **2 rak'at Namaaz** in which recite S.Tawheed two times after S.Al-Hamd in the 1st rak'at and recite 10 times S.Takaasur in the 2nd rak'at after A.Al-Hamd. After finishing praying this Namaaz recite '**Allaahumma Swalli Alaa Muhammadin Wa Aali Muhammad, Wab'ath Thawaabahaa Ilaa Qabri Dhaalikal Mayyit (Fulaan bin Fulaan)**. Allaah will immediately

send 1000 Angels to the grave of that dead person with attires of Paradise, and will expand his grave till Qayaamat, and for the person who has recited this Namaaz for the deseased, Allaah will offer him great rewards and exalt his position fourty times.

! Another Namaaz for the dead person (also called **Namaaz-e-Wah-shat**) is to be performed on the first night of burial thus: Two rak'at Namaaz, after Al-Hamd, in 1st rak'at recite Aayatul Qursei and in the 2nd rak'at after Al-Hamd recite ten times S. Qadr. After Namaaz recite: **'Allaahumma Swalli Alaa Muhammadin Wa Aali Muhammad Wab'ath Thawaabaha Ilaa Qabri...** (here say the name of Marhoom).

! At the time of death Shaytaan approaches and tries to spoil the faith of the believer. Therefore one who wishes to remain safe from the mischief of Shataan should preserve five proofs regarding fundamental principles of faith, i.e. **Usool-e-Deen** in his mind and present it to Allaah's custody so that at the time of death these may be handy at that critical time. And this Duaa should be recited: **'Allaahumma Yaa Arhamar-Raahimeen Innee Qad Awda'atuka Yaqeenee Haadhaa Wa Thabaata Deene Wa Anta Mustawdi'a Wa Qad Amartanaa Bi Hifdhil Wadaai'a Faruddahoo Alayya Waqta Hudhoori Mawtee.'**

! Reciting **S. Yaaseen, S. Swaaffaat** and the following Duaa helps in the tribulation during death: **'Laa Ilaaha Illallaahul Haleemu Kareem Laa Ilaaha Illallaahul Aliyyul Adhweem, Sub'haanallaahi Rabbis-Samaawaatis-Sab'i, Wa Rabbil Aradweenas-Sab'i Wamaa Fee Hinna Wamaa Bayna Hunna Wamaa Fawqa Hunna Wamaa Tahta Hunna Wa Huwa Rabbul Arshil Adhweem Wal Hamdu Lillaahi Rabbil Aalameen.'**

! Reciting this Duaa also is very beneficial at the time of death: **'Yaa Man'Yaqbalul Yaseer Wa Ya'afu Anil Katheer Iqbal Minnil Yaseer Wa'afu Annil Katheer, Innaka Antal Ghafoorur-Raheem.'**

TRAVELLING

Imaam Jaa'far Saadiq (A.S.) said that there should be only three purposes for making a journey, they are: (a) for gaining Sawaab in Aakherat, (b) for prosperity in this life, & (c) merely to have relaxation, sight-seeing, or lawful pleasure in traveling. Go on travel so that you gain good health; do Jihaad so that you get blessings in both worlds; and go for Hajj so as to become rich and self-dependant. Traveling is a sort of trouble so as soon as your job is accomplished return soon to your home. Travel on Tuesdays to accomplish your hard tasks, because it is a day when Allaah (S.W.T.) softened the iron for Nabii Daawood (A.S.) The one who travels on Saturday shall return to his home because even if a stone moves away from its place in a mountain it will return again to it. The Holy Prophet (S.A.W.W.) preferred to travel on Thursday because he said it was the day liked by Allaah, The Prophet, and Angels.

Our 5th and 6th Imaam (A.S.) said that it is Makrooh (abominable, detestable) to travel by sea going for trading purpose. Imaam Ali (A.S.) said that the one who travels by sea on business trip has not tried to generate his earnings by more superior ways.

(1) It is not good to travel on **Nahas Days** but if need arises one can travel on those days after giving **Sadaqa and praying to Allaah for safety**.

(2) It is disliked to travel on **3rd, 4th, 21st, and 25th** of lunar months, so if possible try to avoid traveling on these days.

(3) Even though it is allowed to travel on any day of the week but **Saturdays, Tuesdays and Thursdays** are considered good for travelling.

(4) If travelling is for the purpose of lawful business transactions then **Tuesday** is the best day to undertake the journey.

(5) If you are all alone on safari recite this Duaa: **Maashaa-Allaah Laa Hawla Walaa Quwwata Illaa Billaah, Allaahummaa Aanis Wahshatee, Wa Ainnee Alaa Wahdatee Wa Addee Ghaybatee.**

(6) At the commencement of journey and all along the safari this Duaa should be recited every now and then: **Bismillaahi Aamantu Billaahi, Watawaqqaltu Alallaahi, Maashaa-Allaah Laa Hawla Walaa Quwwata Illaa Billaah.**

(7) While boarding the vehicle of travel recite: **Bismillaahi Walaa Quwwata Illaa Billaahi Al-Hamdulillaahil-Ladhee Sakh-Khara lanaa Haadhaa Wamaa Kunnaa Lahoo Mukrineen, Wa Innaa Ilaa Rabbina La-mun-qaliboon.**

(8) When entering a town or a city to which you are not familiar to, recite: **Allaahumma Innee As'aluka Khyrahaa, Wa A'oodhoo Bika Min Sharrihaa, Allaahumma Habbib Lanaa Ahlihaa Wa Habbib Swaalihi Ahlihaa Ilayna.**

(9) While embarking from the vehicle of travel recite: **Rabbi Anzilinee Manzilan Mubaarakan Wa Anta Khayrul Munzileen.**

(10) While you are on journey away from home recite this Duaa every night before going to sleep: Recite **Aayatul Qurseey**, then recite-**Allaahummaj'al Masweeree Ibaran Wa Sumtee Tafakkuran Wa Kalaamee Dhikraa.**

(11) While starting the journey recite 11 times **Surah-e-Ikhlaas, Tasbeeh of Bibi Faatima (S.A.)** and **Al-Waheedu** as many times as possible.

(12) Before starting traveling, first pray **2 rak'at Namaaz** and recite this Duaa: **Allaahumma Astawdi'uka Nafsee Wa Ahlee Wa Maalee Wa Deenee Wa Dunyaayi Wa Aakhiratee Wa Khawaateema Amalee.**

(13) Reciting **Surah An-Nabaa** in the journey brings safety and success.

(14) One who is going on safari and wishes to return safely to his family should recite the following Duaa when he is to come out of his house for the journey: **Bismillaahi Makhrajee Wa Bi Idh-nihi Kharajtu Wa Qad Alima An Akhruja Khurooji Wa Qad Ahswaa Ilmuhu Maa Fi Makhraji Wa Marji'ee Tawaqqaltu Alal Ilaahil Akbari, Tawaqqula Mufawwidhwan Alayhi Amruhu Wa Musta'eenin Bihi Alaa Shu'oonihi Mustazeedin Min Fadhlihi Mubri'in Nafsahu Min Kulli Hawlin Wa Min Kulli Quwwatin Bihi Khurooja Dhwareerin Kharaja Bi Dhurrihi Alaa Man Yakshifuhu, Wa Khurooja Faqeerin Kharaja Bi Faqrihi, Ilaa Man Yasudduhu, Wa Khurooja Aailin Kharaja Bi Eelatihi, Ilaa Man Yughneeha, Wa Khurooja Man Rabbuhu Akbaru Thikatihi, Wa A'adhwamu Rajaaihi Wa Afdhalu Umniyyatihi, Allaahu Thiqatee Fi Jamee'i Umooree Kulliha Bihee Feehaa Jamee'an Asta'eenu Walaa Shay Illaa MaashaaAllaahu Fi Ilmihi As'alullaaha Khayral Makhraji Wal Madkhali, Laa Ilaaha Illaa Huwa Ilayhil Masweeru.**

(15) It is recommended that when one returns from a journey he should bring some **gifts** for his family members, and arrange for a **feast/ banquet / ceremonial dinner** for his brothers-in-faith.

(16) It is reported from Rasoolullaah (S.A.W.W.) that when a person sits on his means of riding and says '**Bismillaah**' then an Angel also accompanies him and protects him, but if he does not say so a Shaytaan accompanies him and makes him go astray.

(17) While riding recite this Duaa for protection: **Bismillaahi Laa Hawla Walaa Quwwata Illaa Billaahil-Ladhee Hadaana Lihaadha Wamaa Kinnaa Li Nahtadiya Lawlaa An Hadaanallaahu, Sub'haanal-Ladhee Sakh-khara Lanaa Haadhaa Wamaa Kunnaa Lahoo Mukrimeen.**

(18) Another Duaa (for forgiveness) while riding ; Recite **Aayatul Kursee**, then: **Astaghfirullaahal-Ladhee Laa Ilaaha Illaa Huwal Hayyul Qayyoom Wa Atoobu Ilayhi, Allaahummagh-Firlee Dhunoobe Fa In-nahoo Laa Yaghfirudh-Dhunooba Illaa Anta.**

(19) When the riding vehicle stumbles or goes wrong recite: **Allaahumma Innee Aoodhu Bika Min Zawaali Ni'amatika Wa Min Tahweeli Aafiyatik, Wa Min Fujaati Ni'amatika.**

(20) When the riding vehicle abruptly stops going forth recite: **Awalam Yaraw Annaa Khalaqnaa Lahum Mimmaa Amilat Aydeena In'aaman Fahum Lahaa Maalikoon, Wa Dhallalnaahaa Lahum Faminha Rakoobuhum Waminha Ya'akuloon.**

Chapter 10

FRIDAY-NIGHT & DAY (JUMME-RAAT AND JUMUAH)

Friday-night, i.e. the night preceding the day of Friday is a very blessed, holy, sacred, and meritorious night, as well is for the day of Friday. Angels ascend from heavens onto the earth to record the deeds of people as these revered days and nights possess special merits. Good deeds and Salawaat are rewarded manifold. There are some A'amaal to be performed on these events, some of them are stated here below:

! Recite **Slawaat** abundantly starting from the Asr of Thursay till at night on Friday. Imaam Ja'afar Saadiq (A.S.) said that reciting Salawaat gets the Sawaab of 1000 merits (nekee) and 1000 sins are pardoned. Special Salawaat for these times is: "**Allaahumma Swalli Alaa Muhammad-in Wa Aali Muhammad Wa Ajjil Farajahum Wa Ahlik Aduwwihim Minal Jinni Wal Insi Minal Awwaleen Wal Aakhareen.**"

! Do as much **Istighfaar** as possible. Recite Tasbeeh for Tawba, recite Namaaz for Tawba, recite Duaas for Tawba, etc. Pray **Namaaz-e-Ameerul Mu'mineen** for requesting Allaah (S.W.T.) to forgive our sins, (this is beneficial for Fishaare Kabr and dreadfulness of Qayaamat) its method is this: Pray 2 rak'at Namaaz, in each rak'at after Al-Hamd recite 15 times Surah-e-Zilzaal.

! On these auspicious occasions we should not forget our existing and deseased parents, relatives, Muallims, Scholars, Ulamaa, Neighbours, and all Mu'mineen and Mu'minaat, pray for their well-being and in return the Angels will pray for you.

! Recite Holy Qur'an. Atleast these Holy Surahs should be recited, each has its own separate advantage for us: **Surah-e-Waaqiah, S.Rahmaan, S.Dukhaan, S.Swaad, S.Ahqaaf, S.Sajdah, 3 S.Tawaaseen, S. Yaaseen, S.Jumuah, S.Kahaf, S.Banee Israaeel.**

! Send gifts to our Marhoomeen in the form of **Namaaz-e-Hadiya, Qur'an, Duaas, Sadaqah, Khayraat, Radde Madhaalim.**

! It is stated that when one goes to the grave of a Marhoom and places the hand on it and recites **S.Al-Hamd and 11 times S.Ikhlaas or 7 times S.Qadr or S.Waaqiah or S.Mulk** then if at all there is a punishment being meted out to the diseased it abruptly stops and the Marhoom gets excellent rewards.

! For any Haajat one should recite **Duaa-e-Mashlool**.

! On Friday if one recites 10 times **S. Kaafiroon** before sunrise and requests Allah for his needs they shall be fulfilled. [*]

! It is highly emphasized to make **Ghusl on Friday**.

! Recite at least these Surahs of the Holy Qur'an: **S. Yaaseen, S. Rahman, S. Ahqaaf, S. Kahaf, S. Mu'minoon, S. Was-Swaaffaat, S. Nisaa, S. A'araaf, S. Hood**.

! For Haajat to be granted: Pray **Namaaz-e-Ja'afar-e-Tayyaar**.[*]

! For the safety of **Imaam-e-Zamaana** recite **Duaas**, and give **Sadaqah** on **Imaam's** behalf.

! For **Rizq-e-Akbar** (bumper harvest) recite 70 times this **Duaa** before noon: "**Yaa Mufeedu Yaa Ghafooru Yaa Wadood Aghninee Bi Halaalik An Haraamik Wa Bi Twaa'atik An Ma'aswiyatik Wa Bi Fadhlik Amman Siwaak Bi Rahmatik Yaa Arhamar-Rahimeen**."

Chapter 11

BED-TIME DUAAS

It is highly emphasized to do Wudhoo (i.e. Wazu) before going to sleep because it carries much Sawaab. A person sleeping on a Taahir (paak or clean) bedding in the state of having performed Wudhoo gets the reward of having done worship for the whole night. Moreover, before falling asleep it is essentially recommended to take account of all our deeds of the past day so as to rewind our tape of memory of good and bad deeds we have committed, thus, eventually realizing our position on the scale of morality, and if the scale of bad deeds is heavier than good deeds we should attempt to reverse the scale in the next coming day.

It is wisely said that take your reckoning yourself before you are taken to be reckoned, or, do your Hisaab yourself before your Hisaab is done, i.e. done by dreadful angels.

Sleep is said to be a sister of death. So when one goes to sleep he/she should realize that there is however no any surety of getting up again, therefore it is very important that when we sleep we must possess a clean heart filled with pure faith. Perhaps we may not get a chance to rectify the past wrongs. So first of all one should revive his or her faith, i.e. confirm from the bottom of the heart all that is necessary for a believer. Then do Istighfaar and recite the recommended Duaas.

It should be remembered that it is Makrooh to keep awake after Isha for merely chatting and wasting time in vain talks. The Holy Prophet (S.A.W.W.) said that except for three things it is not good to keep awake at night, they are: (1) for Namaaz-e-Shab, (2) for reciting Holy Qur'aan or for education, and (3) for that bride who came to her husband's house on the first night. It is also Makrooh to sleep (a) upto sun-rise, (b) in-between Maghrib and Isha, and (c) after the time of Asr.

And it is recommendable to have a short nap just before Zohr (in summer), and siesta after Namaaz-e-Zohr and Asr. A person complained to the Holy Prophet (S.A.W.W.) of the loss of memory, he was advised to

have a small amount of sleep in the afternoon, he acted likewise and was cured of his complaint.

It is Sunnat while going to sleep to lie down on the right side and put the hand under the cheek. It is Makrooh to lie down on the left side.

There are some very good Duaas to be recited at the time of going to bed. They are as follows:

- (1) Recite 3 times Surah-e-Ikhlaas and Surah-e-Takaasoor.
- (2) Reciting this Duaa earns Sawaab of 1000 rak'at Namaaz: "Yaf'alullaahu Maa Yashaau Bi Qudratihee, Wa Yahkumu Maa Yureedu Bi Izzatihee."
- (3) Recite **Salawaat** on all Prophets, **Tasbihaat-e-Arba'aa**, and **Istighfaar** for all Mu'mineen wal Mu'minaat.
- (4) Recite "**Al-Qayyoomu**" (The Everlasting) 156 times to have a sound sleep.
- (5) Recite 100 times "**Al-Baaisu**" for the increase in wisdom, or 573 times the same for increase in intellectual power.

- (10) Recite Aayatul Qurseee, Aamanar-Rasool, and then this Duaa: "Al-Hamdulillaahil-Ladhee Faqahar, Wal Hamdulillaahil Ladhee Batwana Fakhabar, Wal Hamdu Lillaahil Ladhee Malaka Fa Qadar, Wal Hamdu Lillahil Ladhee Yuhyil Mawta Wa Yummeetul Ahyaa'a Wahuwa Alaa Kulli Shay'in Qadeer."

(20) Duaa when one awakes from sleep: **“Sub’haanallaahi Rabbin-Nabiyyeen, Wa Ilaahil Mursaleen, Wa Rabbil Mustadh’afeen, Wal Hamdu Lillaahilladhee Yuhyil Mawta Wa Huwa Alaa Kulli Shay’in Qadeer.”**

Chapter 12

DUAAS OF IMAAM-E-ZAMAANA A.F.

Not a single day has passed on the earth when its inhabitants did not have their Leader here. From day-one each community did possess its Leader by one way or the other. We being Muslims, the followers of a religion chosen by Allaah (S.W.T.) for mankind, have been blessed with a sinless Leader in every era, who is also the most knowledgeable, courageous, patient, brave, and endowed with all perfections. After the Holy Prophet (S.A.W.W.) we are commanded to follow his 12 holy household members who are the guides for the mankind as ordained by Allaah (S.W.T.) They were from Imaam Ali (A.S.) upto Imaam Hasan Askari (A.S.) and we are at present passing in the era of the last vicegerent of the Holy Prophet (S.A.W.W.) i.e. the 12th Imaam, i.e. **Hujjat-Ibnul-Hasan Imaam Muhammad Mehdi Swaahibuz-Zamaan (A.S.)** who is the present Imaam of the age and the right guide for the mankind. We firmly believe that even though The Imaam A.F. is in Ghaibat (Hidden from our sight) but he is aware of all our deeds and conditions. Whenever need arises The Imaam extends his helping hand to us. And Inshaa'Allaah he will soon reappear to us and wipe out all evils from its grassroot levels and finally peace, tranquility, and justice shall prevail from Easts to Wests.

It is also our firm belief that all our deeds, good and bad, are presented to the Imaam, when he sees our good deeds he is happy but he becomes sad and sorrowful when he sees our bad deeds. So we should always keep in mind that there is no any other exceeding good act to that of making our Imaam be happy, and there is no any worst thing then that to make our Imaam weep on seeing us committing bad deeds. Thus all our deeds should incline towards goodness at every moment of our lives, so as to please Allaah, His Prophet, and our Imaam. (A.S.)

A true and sincere devotee of the Imaam should have pure affection towards him and should remain sorrowful because of the absence of our Imaam from our sights. Indeed it is a great calamity to be deprived of his

holy company. May be this is because of our sins or unworthiness or any other reason, Allaah (S.W.T.) knows better. We should always pray to Allaah for his safety, reappearance, and request Allaah (S.W.T.) that we should be included amongst the The Imaam's true followers. Not forgetting that a true follower can only be such who follows the rules and regulations of Shareeah commanded by Allaah (S.W.T.)

Therefore it is our foremost duty to remember our Imaam at all times. Especially while praying Duaa we should beseech Almighty Allaah (S.W.T.) for the safety and speedy reappearance of our Leader, Imaam-e-Zamaana A.F. Hereunder are some Duaas concerning the Imaam of the age:

! Atleast after every Namaaz one should recite this Duaa to acknowledge the presence of Imaam as the Divine Guide and asking Allaah for his safety upto the time when his rule is established over the earth: **Allaahumma Kun Li Waliyyikal Hujjaatibnil Hasan Swalawaatuka Alayhi Wa Alaa Aabaaihi Fee Haadhihis-Saa'ati Wa Fee Kulli Saa'atin, Walliyyan Wa Haafidhwan Wa Qaaidan Wa Naaswiran Wa Daleelan Wa Aynan Hatta Tuskinahu Ardhaka Twaw'an Wa Tumati'ahoo Feehaa Twaweela.**

! Recite this Duaa during the Ghaybat of the Imaam A.F.: **Allaahumma Arrifnee Nafsaka Fa Innaka Inlam Tu'arrifnee Nafsaka Lam A'arif Nabiyyaka, Allaahumma Arrifnee Rasoolaka Fa Innaka Inlam Tu'arrifnee Rasoolaka Lam A'arif Hujjataka Allaahumma Arrifnee Hujjataka Fa Innaka Inlam Tu'arrifnee Hujjataka Dhwalaltu An Deenee.**

This Duaa starts with these words: **Allaahumma Rabban-Nooril Adhweem... [*]**

! Always recite this Duaa for hastening The Imaam's reappear-ence and be included in his companions: *Allaahumma Ajjil Farajah Wa Sah-hil Makhrajah Waj'alnaa Min Answaarihee Wa A'awaanihee.*

Muhammad, Yaa Ali, Yaa Faatima, Yaa Swaahibuz-Zamaan Adriqnee Walaa Tuhliknee. (b) Likewise when the Imaam helped certain person in his problem the Imaam recommended this: **Namaaz-Tahajjud, Ziyaarat-E-Jaami'ah, and Ziyaarat-E-Aashoor.** And the Imaam repeated this three times.

Chapter 15

RADD-E-MAZAALIM (COMPENSATION FOR ZULM)

Zulm (atrociousness, tyranny, despotism, oppression, cruelty, violence) is the most hated thing by The All-Merciful Allaah (S.W.T.) He is Merciful, Compassionate and Kind, and so does He like His creatures to behave towards each other. All the mess and chaos seen around the world is the result of Zulm in one-way or the other. Peace and tranquility can never be achieved if there prevails Zulm. And the punishment in hereafter is very dreadful for this sin of Zulm. Allaah does not forgive the Zaalim because the sin has not been committed to Allaah, it is the matter of concern to others than Allaah (S.W.T.). The only way for forgiveness is to seek pardon from the person to whom Zulm was done.

If at all it is not possible to seek forgiveness from the person to whom Zulm was done (because of death, absence, or any other reasonable cause) then it is stated that the culprit should give a considerable amount in Sadaqa on behalf of the wronged ones and seek pardon from Allaah and beseech to Him that He may make the amendment by pleasing the wronged ones because all the might and power lies with Allaah (S.W.T.) only.

There are mentioned some A'amaal in the books that if we performed then they might be beneficial for the purpose. They are as follow:

! Give Sadaqa on behalf of the person to whom you had done Zulm.

! Do Istighfaar on his / her behalf.

! Recite 12 times Surah-e-Ikhlaas and then recite this Duaa: **Al-laahumma Innee As'aluka Bismikal Maknoonil Makhzoonit-Twaahirit-Ttwuhiril Mubaaraki Wa As'aluka Bismikal Adhweemi Wa Sultwaanikal Qadeemi Yaa Waahibal Atwaaya Yaa Mutliqal Usaara Yaa Faqqaagar-Riqaabi Minan-Naari Swalli Alaa Muhammadin Wa Aali Muhammadin Wa Fukka Raqabatee Minan-Naari Wa Akhrijnee**

Chapter 18

THANKS-GIVING (SHUKR)

! It is but a natural thing to thank the one who has done a favour to us, howsoever little may it be. The Almighty Allaah (S.W.T.) created us from nothing, he nurtured us even before we were brought in the world, he made all necessary arrangements for our comfort and easy life, He gave us loving parents to take care of us, His bounties and favours are countless and continuous, and so we can never ever return His favours nor do we have the ability to thank Him exactly as the right to thank Him is. But as a small token that we can manage to offer is to obey all His commandments and not transgress the limits laid down by Him. Moreover there are some Duaas which, can be recited when we appreciate His favours.

! Nabii Daaniyaal's Duaa to thank Allaah (S.W.T.) "**Al-hamdu Lillaahil-Ladhee Laa Yansaa Man Dhakarahu, Wal-Hamdu Lillaahil-Ladhee Laa Yakheebu Man Da'aahu, Wal-Hamdu Lillaahil-Ladhee Man Tawaqqala Alayhi Kafaahu, Wal-Hamdu Lillaahil-Ladhee man Wathika Bihee Lam Yakilhu Ilaa Ghayrihee, Wal-Hamdu Lillaahil-Ladhee Yajzee Bil Ihsaani Ihsaanan Wa Bis-Sayyi'aati Ghufraanan Wa Bis-Swabri Najaata.**"

! We may recite this Duaa in Qunoot: **Rabbi Awzi'ani An Ashkura Ni'amatikallati An'amta Alayya Wa Alaa Waalidayya Wa An A'amala Swaalihan Tardhwaahu Wa Aslihlee Fee Dhurriyyati, Innee Tubtu Ilayka Wa Innee Minal Muslimeen.**

! It is stated in Hadeeth that when we are healthy it is because of the Mercy and bounties from Allaah (S.W.T.) and so we must thank Him for our good health, but when a person forgets to thank Allaah then He causes him to SNEEZE, that is why we are told by Imaam Ameerul Mu'mineen (A.S.) to say **Alhamdu Lillaahi Rabbil Aalameen Alaa Kulli Haal** when we sneeze.

! Because a sneeze is a sign of health, and so the thanks giving becomes incumbent, it is narrated that the person who sneezes should

say **Alhamdu Lillahi Rabbil Aalameen Laa Shareeka Lahoo**, the others who hear him sneeze should say **Yar'hamu-Kumullaah**, and finally the one who sneezed should say to them **Yahdee Kumullaahu Wa Yuslihu Baalakum**

! Imaam Ali Ridhaa (A.S.) said it is Waajib to recite **SALAWAAT** for one who sneezes and one who slaughters an animal.

Chapter 19

SAJDAH-E-SHUKR

Humanity demands a thanks-giving or appreciation to a favour done, for howsoever little may it be. To be grateful to the bestower of a favour is the foremost duty to whom it is done. To be ungrateful is a sin and consequently the bestower will hesitate to favour such a person any more.

Therefore, if a person ponders with a sober mind he or she is bound to fail in counting the countless favours Allmighty Allaah has showered upon us even before our coming into this world, and they are going on continuous process without discrimination. So if we think to repay for it or say 'thank you' and forget about it, this will not suffice for even a moment's bounties we receive. There is never to be any perfect solution to this except to a certain extent that we should be careful enough not to displease our Lord and make Him be pleased with our deeds. That is, each of our good deeds must have a sincere intention of pleasing Him alone.

If we consider only one favour from amongst all others then it is Namaaz. Namaaz is the greatest gift to us if we really are serious on its values. Therefore it is recommended that whenever you get some favour or bounty, and whenever you are saved or protected from any problem you should immediately thank Allaah (S.W.T.) And that is why it is emphasized to perform Sijdah-e-Shuke after every Namaaz. And it is advisable to do it as often as possible at every appropriate instance.

METHOD FOR SAJDAH-E-SHUKR:

Although it is enough to perform a Sajdah as usual even if we do not recite anything in it, but it is better to do it with such posture that our hands upto the elbows, chest, and stomach all should be touching the ground.

- ! "Allaahumma Maghfiratuk Awsau Min Dhunoobee Wa Rahmatuka Arjaa Indee Min Amalee Faghfir Lee Dhunoobee Yaa Hayyan Laa Yamootu."
- ! When you are desperate on the extreme limit then perform a Sajdah and recite: "Yaa Mudhilla Kulli Jabbaarin Yaa Mu'izza Kulli Dhaaleelin Qad Wa Haqqika Balagha Majhoodee Fa Swalli Alaa Muhammadin Wa Aali Muhammadin Wa Farrij Annee."
- ! Recite 3 times: "Yaa Allaahu Yaa Rabbaahu Yaa Sayyidaahu."

(68) **Farming** is a very much preferred profession by Allaah (S.W.T.) All the Prophets, the Awsiyaahs, and the virtuous people from their Ummaah made **farming** to be their main business. The 6th Imaam (A.S.) said that nobody can do more purer and Halaal work then **Farming business**. The 4th Imaam (A.S.) said that **Farming** is the most excellent business. While tilling the land and sowing the seeds one should recite this Duaa: (a) **Wa Mathalu Kalimatin Twayyibatin Ka Shajarati Twayyibatin Asluha Wa Saabitan Far’uha Fis-Samaai Tu’tee Ukulaha Kullu Heenin Bi Idhni Rabbiha.** (b) For harvesting a bumper crop recite 1001 times everyday: **“ADH-DHAARRU”**

(72) Imaam Ja'afar Saadiq A.S had **Aayatul Kurse** written on his door and at the place of Prayers towards Qibla.

(74) The Holy Prophet (S.A.W.W.) said that in a gathering or a sitting of people if there is no any mention of Almighty Allaah (S.W.T.) nor Salawaat on the Prophet, then, on the Day of Judgement that gathering shall be a source of trouble for them. Therefore if we sit in certain gathering, we should atleast recite this: **Sub'haana Rabbika Rabbil Izzati Ammaa Yaswifoon, Wa Salaamun Alal Mursaleen, Wal Hamdu Lillaahi Rabbil Aalameen.**

(75) It is mentioned in a Hadeeth that whenever you write a letter to someone do not omit writing: **Bismillaahir-Rahmaani-Raheem**; and also write **Inshaa'allaah** wherever applicable.

(76) In another Hadeeth it is mentioned that when you write a letter or an application and you have a Haajat, then write on top of the paper, with a pen without ink, this Aayat: **Bismillaahir-Rahmaanir-Raheem. Innallaaha Wa'adas-Swaabireen, Almakhraja Mimmaa Yakrahoon, War-Rizqa Min Haythu Laa Yahtasiboon, Waja'alnnahu Wa Iyyaakum Minal-Ladheena Laa Khawfun Alayhim Walaa Hum Yahzanoon.**

(77) Imaam Ali (A.S.) said that it is not allowed to spit facing the Qibla, and if anyone mistakenly does so he/she should atonce do **Istighfaar**.

(78) (i) As for the shoes, black is not advisable, the best colour preferred by the religion is yellow, followed by white. (ii) And for the sox it is best to put on black soxes, but if you are traveling red sox is advisable, which is Makrooh at home. (iii) While putting on the shoes start with the right leg but when taking them off start with the left. (80) As regarding the colour of clothes:

(i) it is stated that except for these three things – Soxes, Amaama, and Kabaa, all other cloths are Makrooh if they are black. (ii) The Holy Prophet (S.A.W.W.) said the white colour is the best for all cloths. (iii) Imaam Jaa'far Saadiq (A.S.) said not to wear even the cap, which is black in colour while praying because it is the clothing of the people of Jahan-nam. (iv) It is related that whoever wears the cloths in standing position his Haajat shall not be granted for three days. (v) Recite this Duaa while putting on cloths: **Bismillaahi Allaahummastur Awratee Walaa Tahtiqnee Fee Arsaatil Qiyaamati Wa Aiffa Faraji Wala Takhla'a An-nee Zeenatal Eemaan.** (vi) While putting on a new dress recite: **Alhamdu-lillaahil-ladhee Kasaani Minal-Libaasi Maa Atajammalu Bi-hee Finnaasi, Allaahummaj'alhaa Siyaaba Barakatin Asa'a Feeha Li Mardhaatika Wa A'amuru Feeha Masaajidika.**

(81) While having the hajaamat (cupping) one should recite this Duaa: **Bismillaahi Wa Billaahi Wa Alaa Millati Rasoolillaahi Swallallaahu Alayhi Wa Aalihi Wa Sunnatihi Haneefam Muslimaw-Wamaa Anaa Minal Mushrikeen. Allaahumma A'atwinee Bi Kulli Sha'aratin Noor-an Saatiyan Yawmal Qiyaamah.**

Chapter 22

DUAA WHILE DRINKING WATER & AT MEALS

It is an undeniable fact that The All-Merciful Allaah (S.W.T.) has provided for his creations abundant provision of foods in the form of corns, fruits, cereals, vegetables, etc. And water, milk, juices, etc. in the form of drinks; ofcourse water being the foremost and best drinks amongst the all. All of these are being consumed everyday by one and all. We should be really grateful for this Mercy of Allaah (S.W.T.) which He has fixed for all without discrimination. And therefore there are some attiquettes which should be followed at the time of eating and drinking.

The foremost is that a human being should not ever think that we are living for eating, but that we are eating for living, and therefore as per the law of 'Live & Let Live' we should be mindful of the deprived ones also, not only be mindful for ourselves and doing nothing for them! But we should be seriously active to see that the hungry does not remain with hunger anymore. If one strives to find out the deprived people there are in billions all around the world, there is no scarcity of such people even at our footsteps and around the town we live in! And ofcourse Allaah is more pleased when we take care of His creation. Nabii Moosa (A.S.) once asked Allaah (S.W.T.) that what was the best deed in His sight and the answer was that it was a service to His creation.

As for the timings of taking meals it is related that it is Sunnat to eat breakfast early in the morning, then don't eat anything until at Isha; eat slowly while masticating the food properly; don't blow on food to cool it but wait until it cools itself; don't cut the bread with knife; don't finish completely the flesh on a bone (because there is a portion of Jinnaat in it); don't eat anything when you are in the state of Janaabat (it causes white-spots on the body) except when you have performed Wudhoo or washed your mouth and nose; it is not allowed to use utensils made of gold or silver; don't drink water from a cracked glass or mug; don't overeat because it causes white-spot diseases and takes away radiance from the face; don't abandon food at Isha because that will cause early aging;

don't sit for a meal until you have relieved your stomach; don't look at others' faces while eating; eat with the right hand ; sit with bent legs; sitting coss-leggd (Palaanthi) is Makrroh ; don't eat while walking on roads ; wash hand before and after meals ; don't dry the hands that you wash before meals ; it is Haraam to sit for eating food at such a place where Haraam is served or done .

Following are mentioned some Duaas to be recited while drinking water and eating:

! (i) Imaam Ali (A.S.) has said that drink rain water because it purifies your body and expels diseases.

! (ii) It is narrated that the Aadaab of drinking water is that when you drink water in the day time drink it standing while at night you should sit.

! (iii) Say **Bismillaahir-Rahmaanir-Raheem** while starting to drink water and **Al-Hamdulillaahi Rabbil Aalameen** when you finish.

! (iv) And it is also narrated that when you drink water at night you should say **Alaykas-Salaamu Min-Maa'i Zamzam Wa Maa'il Furaat.**

! (v) And whenever you drink water remember Imaam Husayn (A.S.) by reciting this: **Swalawaatullaahi Alal Husayn Wa Ahli Baytihee Wa Aswhaabihee, Wa La'anatullaahi Alaa Qatalatil Husayn Wa A'adaa'ihee.**

! Whenever the Holy Prophet (S.A.W.W.) saw a new fruit he would kiss it, touch it to both eyes and say: **Allaahumma Kamaa Araytanaa Awwalaha Fee Aafiyatin Fa Arinaa Aakhirahaa Fee Aafiyatin.**

! When consuming fish Imaam Jaa'far Saadiq A.S used to say: **Allaahumma Baarik Lanaa Feehi Wa Abdilnaa Khayran Minhu.**

! Imaam Jaa'far Saadiq (A.S.) said whoever sits for a meal and recites this every time while taking the morsel, his sins shall be forgiven: **Bismillaahi Wal Hamdu Lillaahi Rabbil Aalameen.**

! Ameerul Mu'mineen Imaam Ali (A.S.) said that while eating food don't talk too much, remember Allaah (S.W.T.), food is a bounty from Him and it is Waajib to remember Him while utilizing His favours. Whenever the food was made ready to be served (table-cloth was spread) the Holy Prophet (S.A.W.W.) recited this Duaa: **Sub'haanaka Allaahumma Maa Ahsana Maa Tubleena, Sub'haanaka Maa Akthara Maa Tu'atweena, Sub'haanaka Maa Akthara Maa Tu'aafeena,**

Allaahumma Wassi'a Alayna Alaa Fuqaraa'il Mu'mineena Wal Mu'minaati Wal Muslimeena Wal Muslimaati.

! When food was served in front of Imaam Zaynul Aabideen (A.S.) he used to recite this Duaa: **Allaahumma Haadhaa Minka Wa Min Fadhlika Wa Atwaaika Fa Baarigh Lanaa Feehi Wa Sawwighnaahu Warzuqnaahu Khalaqna Idhaa Aqalnaahu Wa Rubba Muhtaajin Ilayhi Razaqta Fa Ahsanta, Allaahumaaj'alnaa Minash-Shaakireen.**

! Imaam Jaa'far Saadiq (A.S.) said that eating the left-over food or water of a Mu'min is the cure for seventy types of diseases. (ii) When the meal was over (table-cloth being cleared-away) the Imaam used to recite this Duaa: **Alhamdu Lillaahil-Ladhee Hamalnaa Fil Barri Wal Bahri Wa Razaqnaa Minat-Twayyibaati Wa Fadh-Dhalnaa Alaa Katheerin Min Khalqihi Mimman Khalaqa Tafdheela.**

! Ameerul Mu'mineen (A.S.) said that pick up the food particles fallen on the table-cloth because according to Allaah (S.W.T.) they are **Shafaa** (cure) for every sickness. (ii) If you sit to eat food in a jungle then the left-overs and fallen food particles should be left there for the birds, insects and animals. (iii) After the meal lie down face upwards and place your right leg over the left. (iv) After finishing eating the food recite: **Allaahumma Haadhaa Minka Wa Muhammadin Rasoolika Swallallaahu Alayhi Wa Aalihi Wasallam. Allaahumma Lakal Hamdu Swalli Alaa Muhammadin Wa Aali Muhammad.**

! Imaam Zaynul Aabideen (A.S.) said that whoever recites the following Duaa while eating, that food shall do no harm to him/her: **Allaahumma Innee As'aluka Bismika Khayril Asmaai Mil'al Ardhi Was-Samaair-Rahmaanir-Raheemil-Ladhee Laa Yadhurru Ma'ahoo Daa'a.**

! The Holy Prophet (S.A.W.W.) said that whoever sits to eat a meal should start taking a little salt, and after finishing eating should again take a little salt, this will keep 70 problems far away from him/her. (ii) If you have a problem of indigestion, recite this Duaa of Imaam Jaa'far Saadiq A.S after meals, putting your hand over the stomach: **Alaahumma Hane'e'hee, Alaahumma Sawwighneehi, Allaahumma Amri'aneehi.**

! Mufadh-dhal Bin Umar complained of pain in the eyes for which Imam Jaa'far Saadiq A.S told him to recite this Duaa after meals, placing the wet hand over the eye-brows and eye-lashes: **Wal Hamdu Lillaahil Muhsinil Mujmilil Mun'imin Mufadh-dhil.**

Chapter 23

A'AMAAL OF BIBI ZAYNAB (S.A.)

Everyone who knows the history of the Tragedy of Karbalaa knows very well the name Zaynab (S.A.) She was the brave daughter of Imaam Ali (A.S.) and Bibi Faatima (S.A.) She was brought up in the house of Revelation. It is a matter of fact that when Imaam Husayn (A.S.) accomplished his mission by his great sacrifice in Karbala to rescue Islaam from the beastly clutches of Yezidites, the remaining half task was completed by Bibi Zaynab (S.A.) by her great sacrifice; the Holy Lady Zaynab (S.A.) gave away her two dear sons Awn and Muhammad in the battle field of Karbalaa, she endured the tribulations in Shaam-e-Ghareeba, she endured imprisonment, she endured looting of her Chaador, and she suffered the most cruel tribulations ever fallen on anyone. In spite of all that her aim was to save Islaam, and she emerged victorious like Imaam Husayn (A.S.)

Remembering Bibi Zaynab (S.A.) the following Amal is very effective for curing sickness, abundance in Rizq, and dispersing calamities and problems:

Recite 11 times **Salawaat**.

Pray 2 rak'at **Namaaz** for Haajat.

Recite: **Bismillaahir-Rahmaanir-Raheem. Yaa Zaynab Ishfi'alee Fil Jannati Fa Inna Laki Indallaahish-Shafaa'atil Maqboolati Wal Manzilatil Adhweemah. Allaahumma Swalli Alaa Muhammadin Wa Aali Muhammad.**

Chapter 24

A'AMAAL OF IMAAM MOOSA-E-KAADHIM (A.S.)

If anyone is in difficulty or a calamity has befallen on him, then one should do the following A'amaal. Inshaa'Allaah the Almighty will fulfil the Haajat:

If possible do this A'amaal for **7 Wednesdays**:

! Pray 2 rak'at Namaaz as usual with Niyyat of A'amalof Imaam Moosa Kaadhim (A.S.)

! After Namaaz recote 100 times **Salawaat**.

! Then recite each of the following verses 14 times, each beginning with **Bismillaahir-Rahmaanir-Raheem**:

! Salaamun Qawlam Min Rabbir Raheem,

! Najjinaa Wa Khalliswnaa Bihaqqi Bismillaahir-Rahmaanir-Raheem,

! Yaa Sayyidee, Yaa Mawlaayee,

! Yaa Moosabni Ja'afar, Baabul Hawaaij Adriqnee,

! Then recite: 14 times Yaa Allaah, Yaa Rabbi Jalla Jalaaluhu,

! Recite once Surah-e-Faatihaa,

! Then 3 times Surah-e-Ikhlaas,

! Then 3 times:-Bismillaahir-Rahmaanir-Raheem, Naadey Aliyyan Madh'haral Ajaab, Tajeedahu Awnallak Finnawaaib, Kullu Hammin Wa Ghammin Sayanjali Bi Adhwamatik Yaa Allaah, Bi Nabuwwatika Yaa Muhammmad(S.), Bi Wilaayatika Yaa Ali Yaa Ali Yaa Ali Adriqnee.

! Then recite **14 Salawaat**.

! Complete this A'amaal with **Surah-e-Faatihah** and beseech for your Haajat by the Grace of Chahaarda Ma'asoomen (A.S.)

Imaam Moosa-e-Kaadhim (A.S.) is our 7th Imaam. Like our other Aimaah he also had to go through many hardships and tribulations from the enemies of Islaam., but never did he do anything to damage the name of Islaam, his aim was to rescue Islaam from the oppressors and keep it intact. For that reason the Imaam was imprisoned for a very long period by Harun Rasheed, and finally he poisoned the Imaam and the Imaam breathed his last in the prison. One of his sayings is, **'That who knows Allaah well, should never mistrust Allaah with regard to his sustenance, nor should he think ill of the way He manages His servants' lives.'** About servitude the Imaam said, **"It is putting one's trust in Allaah, submitting to Allaah, being satisfied with Allaah's ordinance, and commending oneself to Allaah."**

Chapter 25

TAHAJJUD (NAMAAZ-E-SHAB)

It is a glory and honour for a Mu'min to get up from sleep at the final part of the night for performing Ibaadaat of All Merciful Allaah, and this practise has been a praiseworthy matter by Ma'asoomeen (A.S.) It is an atonement for the sins committed during the day, it is also helping to maintain good health, and it is a means to wipe off the dreadfulness of the grave, and it is a means for abundance in Rizq.

As for the children and property are the splendors of the world, same or more is for the nightly prayers being splendor, brilliance, and majesty of the Aakhirat. Sometimes Almighty Allaah (S.W.T.) gathers all these two plendors together for one person.

Anyone who says that inspite of praying at night he remained hungry in the day is a liar because Namaaz-e-Shab is the warranty for Rizq.

Getting up at night for Ibaadat is so much essential that can be judged from this insidence: Once Prophet Isa (A.S.) called her mother Bibi Maryam (S.A.) after her death and asked if she wished to return back in the world. She replied, "Yes, but for performing Ibaadaat in the coldest nights and to observe Fasts in the scorching heat of the days, these things are very useful in hereafter, the path here is very difficult and risky."

There are fourty or more advantages of Namaaz-e-Shab mentioned in books of Fiqah.

For those who take more interest in Namaaz-e-Shab there is a method, which takes approximately twenty five minutes. Otherwise the ordinary method is also very authentic and has many merits. That is:

! Pray 8 rak'ats Namaaz, as usual, as of Sub'h, with the Niyat of Naafila-e-Shab. Then pray 2 rak'at Namaaz-e-Shfaa'a (without Qunoot). Finally pray 1 rak'at with Qunoot. That's all.

More detailed method is as follows:

(1) Two Rak'at **Namaaz-e-Naafila-e-Shab**, in first rak'at after Al-Hamd recite S. Tawheed once, in the second rak'at recite S.Kaafiroon once after Al-Hamd. (or 30 times S.Tawheed in each rak'at)

- (2) Two Rak'at – with any Surah after Al-Hamd.
- (3) Two Rak'at – with any Surah after Al-Hamd.
- (4) Two Rak'at – with any Surah after Al-Hamd.
- (5) Two Rak'at. **Namaaz-e-Shafaa-** S.An-Naas in 1st rak'at and S.Al-Falak in the 2nd rak'at, after Al-Hamd. There is no QUNOOT here.

(6) Then when you finish this Namaaz recite this **Duaa: Bismillaahir-Rahmaanir-Raheem. Allaahumma Swalli Alaa Muhammadin Wa Aali Muhammad. Ilaahee Ta'arradhwa Laka Fee Haadhal-Laylil Muta'arridhwoona Wa Qaswadal Qaaswidoona Wa Ammala Fadhlaka Wa Ma'aroofakat-Twaaliboona Wa Laka Fee Haadhal-Layli Nafahaatun Wa Jawaa'izu Wa Atwaaya Wa Mawaahibu Tamunnu Bi-haa Alaa Mantashaau Min Ibaadika Wa Tam'nauhaa Manlam Tasbik Lahool Inaayatu Minka Wa Haa Anaadhaa Ubaydukal Faqeeru Ilaykal Mu'ammilu Fadhlaka Wa Ma'aroofaka, Fa'in Kunta Yaa Mawlaaya Tafadh-dhalta Fee Haadhal-Laylati Alaa Ahadin Min Khalqika Wa Udda Alayhi Bi Aa'idatin Min Atfika, Fa Swalli Alaa Muhammadin Wa Aali Muhammadit-Twayyibeenat-Twaahireenal Khayyireenal Faadhileen, Wa Jud Alayya Bi Twawlik Wa Ma'aroofik Yaa Rabbal Aalameen, Wa Swallalaahu Alaa Muhammadin Khaatamin-Nabiyyeen Wa Aalihit-Twaahireen Wa Sallaama Tasleeman Innallaaha Hameedun Majeed. Allaahumma Innee Ad'ooka Kamaa Ararta Fastajib Lee Kamaa Wa'adta Innaka Laa Tukhliful Mee'aad.**

(7) Then pray One Rak'at **Namaaz-e-Witr.** After Al-Hamd recite 3 times S. Tawheed, 3 times S. Al-Falak, And 3 times S. An-Naas. Then raise the hands for **Qunoot**, recite the following in it:

(8) **Laa Ilaaha Illallaahul Haleemul Kareem, Laa Ilaaha Illallaahul Aliyyul Adhweem, Sub'haanallaahi Rabbis-Samaawaatis-Sab'ee Wa Rabbal Aradhweenas-Sab'ee, Wamaa Fee Hinna Wamaa Bayna Hunna Wa Huwa Rabbul Arshil Adhweem, Walhamdu Lillaahi Rabbil Aalameen, Wa Swallallaahu Alaa Muhammadin Wa Aalihit-Twayyibeenat-Twaahireen.**

(9) Then beseech Allaah (S.W.T.) for the repentance of **40 persons**, dead or alive, thus: **Allaahumagh'fir...** here take the name of the person one by one, upto forty.

(10) Then recite 70 times **"Astaghfirullaaha Rabbee Wa Atoobu Ilayhi."**

(11) Then recite 300 times **"Al-Afw"**.

(12) Then recite: **"Rabbigh'fir Lee War'Hamnee Wa Tub Alayya Innaka Antat-Tawwaabul Ghafoorur-Raheem."**

(13) Then recite ; **“Astaghfirullaahal-Ladhee Laa Ilaaha Illaa Huwal Hayyul Qayyoom, Bi Jamee’i Dhulmee Wa Jurmee Wa Israafee Alaa Nafsee Wa Atoobu Ilayh.”**

(14) Then recite 7 times: **“Haadha Maqaamul Aa’idhi Bika Minan-Naar.”**

(15) Then complete the Namaaz in normal way, i.e. go to Rukoo, Sajdah, Tasha’hood, Salaam. FINALLY, pray 2 rak’at of **Naafila-e-Sub’h**, and be ready for **Namaaz-e-Sub’h**.

Notice:

In the Qunoot of Namaaz-e-Vitr you may recite any Duaa, as much as you can, and as long as you wish. Doing Istighfaar with tears in eyes is very beneficial in that state. Some devotees also recite Duaa-e-Qumail or Duaa-e-Abu Hamza Thimaali in this Qunoot.

Chapter 26

Chapter 27

RAJAB A'AMAAL

It is very essential for a person to study **Mafaatihul Jinaan** of Sheikh Abbaas Qummi A.R., **Majmooa** of Allaama Haji GhulamAli A.R., and other authentic books of Duaa, wherein, all the A'amaal are included, so as to gain the maximum benefit of Ibaadaat. The Duaas and A'amaal, which are contained in this brief booklet, are only a few majestic and invaluable amongst them.

The months of Rajab, Sha'baan, and Holy Ramadhaan are the most revered of all the months. Tradition of the Holy Prophet (S.A.W.W.) is thus: "The month of Rajab is the great month of Allaah (S.W.T.) Its merits and significance are of high status. Rajab is the month of Allaah, Shaa'baan is my month and Ramadhaan is the month of my Ummah. One who observes atleast one Fast in this month has made Allaah be pleased to him and the anger of Allaah shall not descend on him and one door of the Hell is closed for him."

Imaam Moosa Kaadhim (A.S.) said, ' One who observes one Fast in this month then Jahannam shall be at the far off distance from him. And one who keeps three Fasts in this month then Paraise is incumbant upon him."

The Holy Prophet (S.A.W.W.) said that 'Rajab' is the name of one of the rivers in Jannat and its water is brighter then milk and sweeter then honey. The one who Fasts in this month will be fortunate to drink from its stream.

Imaam Ja'afar Saadiq (A.S.) said that the Holy Prophet said, "Rajab is the month of Istighfaar for my Ummah. So do as much Istighfaar as possible because Allaah is The Most Forgiving, Bestower and Kind."

From the same Imaam (A.S.) "If one has missed to Fast in most part of this month then even one Fast at the end of the month will save him/her from Sakaraat-e-Mawt, and will safeguard from the fears, dreadfulness, and punishment of the grave. Fasting in last two days makes easy to pass on Pool-e-Siraat. And Fasting in the last three days shall make him safe

from the horror of the Day of Judgement and will be free from the fire of Hell. The Fasting in this month have a magnificent value.”

! One who is not able to Fast in this month may recite this Duaa 100 times daily so he/she shall get the same Sawaab as of keeping a Fast: **Sub’haanal Ilaahil Jaleeli, Sub’haana Man Laa Yambaghit-Tasbeehu Illa Lahoo, Sub’haanal A’azzil Akrami, Sub’haan Man Labisal Izza Wahuwa Lahoo Ahlun.**

! Recite this Istighfaar abundantly: **Astaghfullaaha Wa As’aluhut-Tawbah.**

! One of the Duaas to be recited during this month is as follows: **Bimillaahir-Rahmaanir-Raheem. Yaa Man Yamliku Hawaaijis-Sa’ileen, Wa Ya’alamu Dhameeras-Swaamiteen Likulli Mas’alatin Minka Sam’un Haadhirun Wa Jawaabun Ateedun, Allaahumma Wa Mawaeedukas-Swaadikatu Wa Ayaadeekal Faadhilatu Wa Rahmatukal Waasi’atu, Fa As’aluka An Tuswalle Alaa Muhammadin Wa Aali Muhmmadin Wa An Taqdhiya Hawaaiji Lid-Dunya Wal Aakhirati Innaka Alaa Kulli Shay’in Qadeer.**

! Another Duaa to recite during this month: **Bismil-Laahir-Rahmaanir-Raheem, Yaa Man Arjoohu Likulli Khayrin Wa Aamanu Sakhatwahoo Inda Kulli Sharrin, Yaa Man Yu’atwil Katheer Bil Qaleel, Yaa Man Yu’atwee Man Sa’alahoo Yaa Man Yu’twee Man Lam Yas’alhoo Wa Man Lam Ya’arifhoo Tahannunan Minhu Wa Rahmatan A’atwinee Bi Mas’alatee Iyyaaka Jamee’a Khayrid-Dunyaa Wa Jamee’a Khayril Aakhirati Wasrif Annee Bi Mas’alate Iyyaaka Jamee’a Sharrid-Dunyaa Wa Sharril Aakhirati Fa Innahoo Ghayru Manqooswin Maa A’atwayta Wa Zidnee Min Fadhlika Yaa Kareem.** *Then hold your blessed beard by your left hand and move your finger of Shahaadat of the right hand to the right and left, humbly weeping and beseeching Allaah to save you from the hell-fire in these words: Yaa Dhal Jalaali Wal Ikraami, Yaa Dhan-Na’amaai Wal Joodi, Yaa Dhal Manni Wat-Twawli Harrim Shaybatee Alannaar.*

! The Holy Prophet (S.A.W.W.) said that whoever shall recite this Duaa 100 times and then give some Sadaqa Allaah will bestow pardon and His Blessings on him/her. And reciting it 400 times carries the reward of 100 martyres.: **Astaghfirullaahal-Ladhee Laa Ilaaha Illaa Huwa Wahdahoo Laa Shareeka Lahoo Wa Atoobu Ilayhi.**

! It is very beneficial to recite **Surah-e-Ikhlaas** 10,000 or 1000, or 100 times in this month.

! It is narrated that if one keeps a Fast in this month and prays **4 rak'at Namaaz** in which, after Al-Hamd, in first rak'ats recites 100 times Aayatul Kurseer and in second rak'ats recites 200 times Surah-e-Ikhlaas so he / she shall not die until they will be shown their place of abode in Bihisht.

! The Holy Prophet said whoever recites **2 rak'at Namaaz** in any one night of this month. In which 100 times Surah-e-Ikhlaas is recited, then it is equal in merit to the Fasts of hundred years, and Allaah will

give him / her hundred houses which are in neighbour to some Prophets.

! The first Thursday-night of this month is called **Laylatur-Raghaa'ib.** An A'maal is prescribed by the Holy Prophet (S.A.W.W.) to be performed in this night which is full of Fadheelat. One of its benefits is that many sins are forgiven due to this A'mal and the reciter of this Namaaz and A'mal shall meet this in the grave in a most beautiful form, he/she will ask as to who it is, that he hasn't seen any day such a marvelous form of human being with such a beaming and friendly gasture and with such fantastic perfume smelling all around him, and the reply shall be that I am that A'maal you had performed in Laylatur-Raghaaib, so don't be afraid of anything here, I am your friend and will remain with you until the trumpet shall be blown for the Day of Judgement. Chapter 28

SHA'BAAN

The month of Sha'abaaan is a very auspicious and meritorious month. This month is related to the Holy Prophet (S.A.W.W.) There are various A'Amaal to be performed in this month. **Fasting in this month carries special reward.** The Holy Prophet (S.A.W.W.) used to observe Fasting all the days in this month and connected them to the Holy month of Ramadhaan. He used to say that, "Sha'abaaan is my month and whoever observes Fasting in this month, even for one day, Paradise shall be made obligatory on him/her.

A tradition from Imaam Ja'afar Saadiq (A.S.) says that when the month of Sha'abaaan arrived Imaaam Zaynul Aabideen gathered his companions and said, "Do you know what this month is? This is Sha'abaaan, and Rasoolullah (S.A.W.W.) said that this is his month, so it is better for you to observe Fasting for the sake of All-Merciful Allah and for the love towards the Holy Prophet (S.A.W.W.) I have heard from my father, and he from my Grand Father that, whoever wishes the nearness of Allaah and he Fasts for the pleasure of the Holy Prophet then Allaah shall grant His proximity to him and shall bestow numerous bounties on him on the day of Qayaamat."

Imaam Ja'afar Saadiq (A.S.) said that we should also encourage our friends and near-ones to observe Fasts in this month. When the Holy Prophet (S.A.W.W.) sighted the new moon of Sha'abaaan he ordered a person to announce in Madina that it is an information from the Prophet of Allaah that this month of Sha'abaaan is his month and whosoever wishes to be helpful and obliging to him should observe Fasting and that, Allaah S.W.T will shower His blessings on him. Imaam Ali (A.S.) said that after this announcement he had never missed a Fast in Sha'abaaan. The Fasts of Sha'abaaan and Holy Ramdhaan are the means of forgiveness and pardon.

Imaam Ja'afar Saadiq (A.S.) said that the Fasts of Sha'abaaan are at such an extent of advantage that even if a person is condemned to death

because of a Haraam act, then also he shall be benefiting from the Fasts of Sha'abaan.

These are a few A'maal to be performed daily in this month:

The night preceding this day is an extra-ordinary night. Imaam Muhammad Baakir (A.S.) said that this night is the most excellent night after the Night of Qadr, in this night Allaah distributes His Grace on His creatures abundantly, by His Mercy He forgives numerous people, we should try to gain His proximity. Allaah has promised that He will not return anyone empty-handed except if a sinful thing is asked for. **This holy night is to Ahlul Bayt as Laytul Qadr is to Holy prophet (S.A.W.W.)** Auspiciousness of this night is amplified manifold because of the birth of **Imaam-e-Zamaana A.F.** on this date.

The Holy Prophet (S.A.W.W.) said that in this night Allaah (S.W.T.) distributes sustenance, registers the life-spans of creatures, and the names of those to go for Hajj are recorded. In this night Allah bestows His Grace and Blessings to His creation much more than what they deserve.

Chapter 29

HOLY RAMADHAAN

Although Fasting is recommended in various days of the year the Holy Month of Ramadhaan is chosen by Allaah S.W.T specifically for this purpose. Fasting has numerous benefits for human beings and that is why we are commanded to observe Fasts. The most virtuous effect of effective Fasting is the reaching on the peak of perfection.

The Holy Prophet (S.A.W.W.) said, "Whoever keeps his stomach hungry, his thinking culminates to the highest level, thus, making his reflections stronger." The effect of less-eating is mostly seen as being purity of heart and insight and it prepares the mind and heart to grasp quickly the right way of enlightenment. While the effect of over-eating is always like drunkenness and dumbness in the sense of perception, thus reducing the power of quick grasping, moreover, that is the main cause in many disease. Over-eating needs preparations, purchasing, cooking, consuming, relieving, money, treatment and time, thus wasting all these objects merely to satisfy a few moment's taste of the tongue. While less-eating will opportune more free time, ease, and comfort. Moreover, as a result of over-eating the expenses for providing unnecessary food items and its medical expences can be utilized for charity, benevolence, pilgrimage, and other worshiping objectives that require money.

Even on the times after Iftaar we should observe some stricktness in consuming food. Allaah has made the abstinence from food compulsory in this month, He loves to see us sobre of foods and drinks whilst we eat and drink more than we do in other months. This is contrary to the wish of Allaah. It is as if a host loves to sit with his guest and talk to him fondly whereas the silly guest is busy in other nonsensical activity.

The Fast-Observers whose eating and drinking and the level of consumption and the means of food are lawful and permissible, and they do not indulge in any sort of extravegence, neither they fill their dining table with colourful and delicious dishes, nor do they practice over-eating and belly-filling, they limit to single dish and do not eat for

enjoyment and taste, so Allaah (S.W.T.) shall reward them with the best of His bounties, shall shower His special Blessings on them, and shall present to them His special rewards which no eyes has ever seen nor any mind has ever imagined.

Fasting in its true spirit produces humility, hospitality, obedience and surrender to the Lord of Universe. It enhances the spirit of freedom from arrogance, egotism and haughtiness; it also lowers the intensity of sensual passions and other bad motivations that diverts a person to the wrong path. Less-eating creates a state of wakefulness thus reducing the hours of sleep, consequently giving the opportunity to do some creative works for this world as well as for the Hereafter. There is a Hadeeth which says, "Stop the path of Satanic influence upon yourself through hunger"

Howsoever, Fasting is not only the renunciation of food and drink. This type of Fasting is termed as a state of hunger only. True Fasting is the observing Fast with our flesh, eyes, ears, tongue, limbs, and all organs of the body, these must remain pious and ascetic all the time.

Our main aim of Fasting should be that what our Creator Allaah (S.W.T.) wish us to be, that is, to reach to the peak of perfection by acknowledging true value of life given to us for the main purpose of pleasing our Lord and reach closer to Him (The Glorious, The Exalted). Therefore Fasting should keep us far apart from bodily sensual desires and lead us to angelic and spiritual virtues. Ofcourse Fasting will save us from the Hell-Fire and attain Paradise for us, but our main objective of Fasting should be the matter stated above. The prime on the list must be the Pleasure of Allaah only.

Regarding the Conditions of Fasting, some of them are mentioned by Imaam Ja'afar Saadiq (A.S.) as, "The Fast-observer should consider himself as a Here-after's traveler, should remain in the state of humility, fear, self-degradation, and like a servant fearing his master should remain afraid of Allaah; his heart should remain pure from defects and contaminations, and his inner self should be free from everything except Allaah; must sacrifice his entire friendship and intentions for Him and must purify his heart from all other friendships except Allaah's; must surrender his eyes and soul to Him; must commit his soul for His remembrance; must utilize his body in Allaah's path and must keep it distant apart especially the tongue from all sorts of sins and indecencies. Whoever has observed these limitations has indeed discharged his obligations of Fasting properly, and whoever has shown negligence to

discharge these obligations has wasted his Fast and would not be benefited from its reward.”

With reference to Imaam Ali (A.S.) our eighth Imaam Ali Radhaa (A.S.) said that once the Holy Prophet (S.A.W.W.) delivered a sermon in which he said, “O people, very soon a month will be coming to you which is a month of great blessings, mercy, and forgiveness of sins by All-Merciful Allaah (S.W.T.) To Allaah its nights, days and hours are better than all other nights, days and hours. This is a month whereby All Mighty Allaah is your Host, wherein your breath is counted as Tasbeeh, and your sleep is an Ibaadat. So beg forgiveness from Allaah and beseech Him with sincerity that He may give you Tawfeeq to observe Fasting and recite Holy Qur’an. Whoever will be deprived of Allaah’s Mercy in this month is an unfortunate one.

When you Fast remember the thirst and hunger of the Day of Judgment. Give alms to the needy. Give due respect to your aged ones. Be compassionate to your younger ones, and sympathetic to your relatives. Abstain from that which is unlawful to see, hear, and speak. Be kind to orphans of the others so that others would be kind to your orphans. After repenting for your sins pay full attention towards Allaah.. Be punctual in Namaaz, pray in its fixed time and raise your hands towards heavens because the time of Namaaz is the best time when Allaah looks most kindly towards His creatures and answers their needs when they ask sincerely.

Your backs are overloaded with sins so perform many Sajdahs, because Allaah (S.W.T.) has promised not to punish those who do Sajdah and those who pray Namaaz.

O people! any one giving Iftaar to a Fasting person will get the reward of emancipating one lack slaves, and his / her past sins shall be forgiven. For Iftaar it may not be plenty or delicious dishes, but as much as one can afford.

O people ! one who corrects his/her ways of lifestyle to a better way shall pass with ease on Pool-e-Siraat when feet will be stumbling and loosing balance over there. A person who does not exercise strictness on his workers will be saved from the strictness of Allmighty on Qayaamat and a person who lessens the load of works from his / her workers Allaah shall take his account with leniency. A person who is kind and honours an orphan then Allaah also shall honour him on Qayaamat. A person who is compassionate toward his kith and kin then Allaah shall bestow His grace on him, and whoever disgraces and be cruel to his relatives then Allaah shall also deprive him of His Mercy. A person who

performs Sunnat Namaaz in this month shall be given clemency in Qay-aamat. A person who observes all obligatory deeds will be rewarded seventy times more for each Waajibaat, and his balance of good deeds will remain heavier than the bad deeds. A person who recites Holy Qur'an in this month will be rewarded the merit of recitation of a complete Qur'an. Verily, Shaytaan is made captive in this month so bag to Allaah not to let him overpower you, the doors of Paradise are made wide open so bag Allaah not close them for you and the doors of Hell are closed so bag Allaah not to open them for you."

It is quoted by Shaikh Sadooq A.R. that when the Holy month of Ramadhaan arrived then the Holy Prophet (S.A.W.W.) used to pardon all the prisoners and donate generously to everyone who asked from him.

This month is the holiest month of all so each person should remain careful to utilise the valueable opportunity given to us by the Most High Allaah (S.W.T.) We should seriously consider how to spend this holy month in accordance to the pleasure of Allaah by abstaining from sins and bad deeds with all our organs of the body. Attention should be given to the fact that we should not waste away its nights in sleeping hours and the days without remembrance of Allaah.

Regarding the reverence and majesty of this Holy Month it suffices to note that Imaam Ali (A.S.) said, "Don't say 'Ramadhaan' only, because you don't know what Ramadhaan is. Whoever says so must pay charity and must offer atonement Fast. Instead of saying 'Ramadhaan' say the way Allaah (S.W.T.) called it, -'The Month of Ramadhaan'.

It is narrated that in Holy Ramadhaan, at the time of Iftaar, Allaah sets free thousands of the already convicted people from the fire of Hell. When the eve and day of Friday comes then also countless sinful people are pardoned by All-Merciful. And finally, at the end of this month Allaah forgives the total of those pardoned all along this month. Therefore it is very important that we should not be negligent towards the grace, bounty and mercy of this month, it should not depart and leave us at the same position where we were before its arrival, with loads of sins on our backs. Lest we are abandoned and punished when the observers of Fast and other good deeds are being rewarded. So only the recitation of Holy Qur'an in the days and nights of this month, the Sunnat A'amaal, doing sincere Istighfaar, praying on its time, keeping away from bads deeds, and performing good deeds can surely bring salvation to us and make us the rightful candidates of Allaah's bounties.

Imaam Ja'afar Saadiq (A.S.) said that whoever is not forgiven in this month then there is no any hope for his salvation until either the next

Holy Ramadhān or that he / she should be present in Arafah. The Imaam said that our Fastings should not be of only abstaining from food and drink, rather every organ of our body should strictly observe Fast. We should not utter falsehood with our mouth, we should not hear vain talks and music with our ears, we should not look at prohibited objects with our eyes, we should not quarrel with each other, we should not envy others, we should not backbite, or abuse, or take false oath, we should not be stingy and miser, we should not oppress anyone, in brief we should keep away from every act which makes our Lord unhappy. Rather we should concentrate on good deeds like being helpful to the fellow human beings, always speak truth, keep away from bad people, realize the hereafter to be near, be hopeful of the rewards from Allaah, be fearful of the dreadful punishments for our sins, and be among the pious people who sincerely wait for the reappearance of Imaam Mehdi A.F.

The Imaam continued, O the observers of Fasting ! Surrender your selves materially as well as spiritually to non-but Allaah (S.W.T.) Keep away from prohibited things in public and in privacy. Fear Allaah as it is the right to fear Him.

Imaam Ali A.S . said that there are some fasting people whose share of reward is nothing else but thirst and hunger. And there are some worshippers whose share in reward is nothing but the difficulty and hardship. This is mainly because of wisdom, insight, and knowledge.(Ma'arifat).

Jaabir bin Abdullah narrated a tradition from the Holy Prophet (S.A.W.W.) that he said, "O Jaabir, this is the holy month of Ramadhān, the one who observes Fasting in its days and keeps awake for some period in its nights, and abstains his/her stomach and private parts from unlawful acts, and restrains his/her tongue, they come out of sins as fast as this month passes away." Jaabir said, "how good the tradition is !" The Prophet said, "and how exacting the rules are to be adhered to !"

Therefore, consequently, given so much significance and value for this Holy Month of Ramadhān, it is our duty to make full preparation to receive it with befitting provisions. Some of them are that we should make our hearts clean and pure as aforementioned; we should also make our place of worship and its surrounding to be clean and without disturbances; we should also make provision for our workers that they get some breathing time; Khums, Zakaat, debts and any other outstanding dues should be cleared up so that when we stand to pray in front of Allaah (S.W.T.) we should be free of any worldly burdon on our backs; the habit

of gossiping and back-biting should be wiped out, because this is one of the things which invalidates the Fast; and the most essential of all - a firm, solid, and unyielding resolution to adhere to all the laws laid down for a successful Fasting.

Moreover, there are various magnificent A'amaal. Duaas and Namaaz that if we wish to accomplish majority of them then there is no chance to stand unless we dovout our large time at night hours. So it needs a firm inspiration and determination also to perform proper Ibaadat...

NEW-MOON:

We should try our best to see the new moon of **Maah-e-Ramadhaan**, some Ulamaa say that it is obligatory to see it. - (d) Recite **Duaa-e-Mujeer** in these nights for the forgiveness of sins;

15TH NIGHT:

This is one of the meritorious nights, there are some A'amaal for this night:

- (a) Perform **Ghusl**,
- (b) Recite **Ziyaarat of Imaam Husayn (A.S.)**,
- (c) Pray the **Namaaz of the night of Beez** already mentioned above),
- (d) Pray **100 rak'at Namaaz** reciting 10 times S.Ikhlaas in every rak'at after Al-Hamd, - it is narrated by Imaam Ameerul Mu'mineen that whoever shall pray this Namaaz, Allaah will send ten angles towards him to protect him from his enemies, be it from humans or gennies, and at the time of his death thirty angels shall keep him away from the fire of Hell.
- (e) Whoever is fortunate to be present in Karbala by the blessed grave of Imaam Hussain should perform 10 rak'at Namaaz in which to recite 10 times S.Ikhlaas in every rak'at, and then beseech Allaah to save him from the Hell. Inshaa'Allaah the Merciful Allaah will save him from Hell and he shall not die until he will see some angels in his dream giving him good tidings of Paradise and soothing news of safety from the fire of Hell.

15TH DAY:

This is a very auspicious day, the birth day of **our 2nd Imaam Hasan-e-Mujtaba (A.S.)** It is recommended to give alms and perform many good deeds today.

17th NIGHT:

Today is the day when the **Battle of Badr** was fought. The army of Islaam was victorious against the army of infidels, in spite of the less numbers of the Muslims.

LAYLATUL-QADR; 19th NIGHT THE 1st NIGHT OF SHAB-E-QADR:

Laylatul Qadr, or Shab-e-Qadr, or The Night of Grandeur comes only once, and it is from these three nights, i.e. either 19th, 21st, or 23rd of Maahe Ramadhaan.

Therefore, we should take full advantage of all the three nights so as not to miss the most invaluable opportunity. It has been narrated that during this night the prayers of all are accepted, prayer of no one is rejected or unanswered except these people's: (1) The one who has angered his parents or made them unhappy and they disinherited him or declared him rebellious, (2) The one who has cut-off relationship with his kith and kin (Qat-e-Raham), (3) The one who nurtures vengeance and animosity towards a believer, (4) The one who consumes alcoholic drinks (intoxicants).

Tonight is the first night of Shab-e-Qadr, no night in the whole year is equal in its merits to the night of Shab-e-Qadr. A good deed or Ibaadat done in this night is much better than the same done for thousand months. Tonight is the time when all the things to come upto the whole year are decreed. Angels descend from heavens and come in the holy presence of Imaame-Zamaana A.F. and they present all the deeds which are decreed for everyone.

A tradition has been recorded from the Holy Prophet (S.A.W.W.) thus: "Nabii Moosa (A.S.) in his prayer said, 'Oh Allaah! I desire your nearness and union. Allaah replied, 'My nearness and union belong to the one who remains vigilant and awake during Laylatul Qadr.'" Nabii Moosa said, 'O Allaah! I want Your blessing and forgiveness. Allaah replied, 'My blessing belongs for someone who is kind towards distitutes on the Night of Power,'" Nabii Moosa said, 'O Allaah! I want to pass through the bridge of Siraat on the road to Paradise safely. Allaah replied, 'The safety in passing through the bridge of Siraat belongs for someone who pays alms on the night of Qadr.'" Nabii Moosa said, 'O Allaah! I want the trees and fruits of Paradise. Allaah replied, 'They belong to someone who do not forget to remember and praise Me on the Night of Power.'" Nabii Moosa said, 'O Allaah! I wish to have your pleasure and consent. Allaah Replied, 'My pleasure and consent belong for someone who offers two rak'at Namaaz during Laylatul Qadr.'"

(a) One should perform **Ghusl after the sun set** so as to pray Maghribain and A'amaal of Shab-e-Qadr.

(b) Do the **A'amaal** which are normally done in the Masjid, i.e. 2 rak'at Namaaz of 7 times S.Ikhlaas, Duaa, to put Holy Qur'an over the head and recite names of Ma'asumeen (A.S.) etc.

(c) Recite **Ziyaarat of Imaam Husayn (A.S.)**

(d) It is stated that the one who keeps night vigil and performs **Ibaadaat for the whole night** shall be forgiven even his / her sins were as many as the stars in the heavens, as tough as the mountains, or as heavy as the weight of all waters of the seas.

(e) Pray **100 rak'at Namaaz**. It is better to recite 10 times S.Ikhlaas in every rak'at after Al-Hamd.

(f) **Repent** (do Istighfaar) for the past sins as much as possible, with honesty and sincerety.

(g) Beseech Allaah S.W.T, for your **parents, relatives, and all Mu'mineen** for their well-being in this world and in the Hereafter.

(h) Recite **Salawaat** abundantly.

(i) Recite **Duaa-e-Jawshane Kabeer** in all these three magnificent nights.

(j) The Holy Prophet (S.A.W.W.) said to **ask Allaah for sound health**.

(k) There are other **Duaas** also for which please refer to **Mafaatihul Jinaan**.

21ST NIGHT:

The merit and excellence of this night is much more than the 19th night.

These A'amaal are common for all three nights, e.g. **Ghusl, Namaaz of reciting 7 times S.Ikhalaas in both rak'at, holding Holy Qur'an over the head, Jawshani Kabeer, Ziyaarat etc.**

Starting from today, i.e. for the last **10 nights** we should recite this Duaa: **Bismillaahir-Rahmaanir-Raheem. Aoodhu Bi Jalaali Wajhikal Kareem Anyanqadhiya Annee Shahru Ramadhaan Aw Yatlua Fajru Min Laylatee Haadhihee Wa Laka Qibalee Dhanbun Aw Tabi'atun Tuadh-Dhibunee Alayhi.**

Whosoever shall recite this Duaa in the last ten nights after every Wajib and Sunnat Namaaz Allaah will forgive his sins committed in this month and shall safeguard him from committing other sins in the remaining days:-

Bismillaahir-Rahmaanir-Raheem. Allaahummaa Addi Annaa Haqqa Maa Madhaa Min Shahri Ramadhaan Waghfir Lanaa Taqseeranaa Feehi Watasallamhu Minnaa Maqboolan Walaa Tu'aakhidhnaa Bi Israafinaa Alaa Anfusinaa Waj'Alnaa Minal Marhoomeen Walaa Taj'Alnaa Minal Mahroomeen.

There are other very good Duaas also to be recited during the final ten days, which can be referred to Mafaatihul Jinaan. For example the Duaa starting with these word; **"Allaahumma Innaaka Qulta Fee Kitaabikal Munzili..."** and **"Yaa Mulayyinal Hadeed."** and **"Yaa Moolijal Layli Wan-Nahaari..."** etc.

I'TIKAAF:

These last ten nights are recommended to be spent in I'tiqaaf. And this is the most befitting period for it. It carries the Sawaab of 2 Hajj and 2 Umrah. The Holy Prophet (S.A.W.W.) used to fold up his bedding and devote his precious time in I'tiqaaf for the last ten nights.

21ST DAY:

! This day is the commemoration of the day of **Martyrdom of Imaam Ali (A.S.)** so we should observe it with absolute solemnity. This is the saddest day for the believers and followers of Imaam Ali (A.S.) Many Salawaat should be recited and many curses should be sent on the enemies of Ahlul Bayt (A.S.) Especially today more curses should be sent on the accursed Ibne Muljim and his accursed associates.

! **Ziyaarat of Ameerul Mu'mineen Imaam Ali (A.S.)** should be recited today.

! The **days of Qadr** should also be revered and well-regarded as the nights of Qadr.

23RD NIGHT:

(a) This night is said to be **more meritorious** than the two previous nights.

(b) Perform the common **A'amaal** which are for all three nights.

(c) Perform **ghusl** for all the remaining ten nights.

(d) Recite **Surah-e- Anqaboot and Surah-e-Room**. Imaam Ja'afar Saadiq (A.S.) said that the reciter of these two Surahs are from the people of Paradise.

(e) Recite **Surah-e-Haa Meem Dukhaan**.

(f) Recite 1000 times **Surah-e-Qadr**.

(g) Recite this **Duaa for Imaame-Zamaana A.F.** – First recite **Praises for the Almighty Allaah**, then recite **Salawaat** on the Holy Prophet(S) and his Holy Progeny (A.S.) and then recite: **Bismillahir-Rahmaanir-Raheem. Allaahumma Kun Li Waliyyikal Hujjatibnil Hasan Swalawaatuka Alayhi Wa Alaa Aabaihee Fee Haadhihis-Saa'atin Waliyyan Wa Haafidhan Wa Qaaidan Wa Naaswiran Wa Daleelan Wa Aynan Hattaah Tuskinahoo Ardhwaka Twaw'an Wa Tumattiahoo Feehaa Twaweela**. Then recite—**Bismillaahir-Rahmaanir-Raheem. Yaa Mudabbiral Umoori Yaa Baa'itha Man Fill Kuboori Yaa Mujriyal Buhoori Yaa Mulayyinal Haddeedi Li Daawooda Swalli Alaa Muhammadin Wa Aali Muhammad Waf'albee...(Haajat) Al-Laylata Al-Laylata**. This Duaas should be recited every now and then.

(h) It is narrated by Imaam Ja'afar Saadiq (A.S.) that you should hope and highly expect tonight to be the night of Qadr and so pray **100 ra'at Namaaz** with 10 times S.Ikhlaas in every rak'at. This is so much emphasised that the Imaam said that if one is unable to pray standing then he or she should pray sitting, and if this is also hard then pray by even lying down.

(i) Recite as much **Qur'an** as possible. Recite other **Duaas** also, such as **Duaa-e-Makaarimul Akhlaaq, Duaa-e-Tawba, Duaas from Saheefa-e-Kaamila** etc.

27TH NIGHT:

On this night it is Sunnat to make **Ghusl**.

Imaam Zaynul Aabideen (A.S.) used to recite this Duaa very often from the beginning of the night till morning –**Bismillaahir-Rahmaanir-Raheem. Allaahumarzuqneet-Tajaafiya An Daaril Ghuroori Wal Inaabata Ilaa Daaril Khuloodi Wal Isti'adaada Lil Mawti Qabla Huloolil Fawti.**

THE LAST FRIDAY

! Rasoolullaah (S.A.W.W.) said that whoever recites the following **Duaa on the last Friday of Maahe Ramadhaan** then he shall achieve one of these two things, either he shall be fortunate enough to see the next Ramadhaan Mubaarak or if he dies before that he shall be granted with unlimited bounties and mercy from Allaah (S.W.T.): Bismillaahir-Rahmaanir-Raheem. Allaahumma Laa Taj'alhu Aakhirahadi Min Swiyaaminaa Iyyahu Fa In Ja'altahoo Faj'alnee Marhooman Walaa Taj'alnee Mahrooma.

! **Namaaz Baraye Kaffaara-e-Namaaz-e-Qazaa:** This Namaaz is a Kaffaara (atonement) for Qazaa Namaaz. This is from the book MANHAJ DA'WAAT in which it is quoted from Imaam Ali (A.S.) whose-so-ever's Namaaz has elapsed (qazaa) excessively then he should offer this Namaaz on the last Friday (Jum'atul Widaa) of Holy Ramadhaan as atonement. It is of four rak'ats, two rak'at each. In every rak'at after Al-Hamd recite 25 times Surah- AL-Ikhlaas, once Aayatul Kursee and 15 times Surah – Al-Kawsar and after Namaaz recite the following Duaa: "Allaahumma Yaa Saabiqal Fawti Yaa Saami'as-Sawti Yaa Muhyi-al Idhwaami Ba'adal Mawti Swalli Alaa Muhammadin Wa Aali Muhammadin. Waj'allee Farajan Wa Makhrajan Mimmaa Anaa Feehi Innaka Ta'alamu Walaa A'alamu Wa Naqdiru Walaa Aqdiru Wa Anta Allaamal Ghuyoobi Yaa Waahibal Atwaaya Wa Yaa Ghaafirall Khatwaaya Yaa Saatiral Uyoobi - Subboohun Quddoosun Rabbul Malaikati War-Roohu Waghfirlee Warham Yaa Rabbee."

THE LAST NIGHT:

This last night of Ramadhaan Mubaarak is very commendable. There are some A'amaal to do tonight. They are:

! Make **Ghusl**.

! Recite **Ziyarat of Imaam Husayn (A.S.)**

! Recite **Suraf-e-An'aam, S.Yaaseen, and S. Qahaf.**

! Recite 100 times: **Astaghfirullaaha Wa Atoobu Ilayhi.**

! Recite this Duaa by Imaam Ja'afar Saadiq (A.S.): **Bismillaahir-Rahmaanir-Raheem. Allaahumma Haadhaa Shahru Ramadhaanal-Ladhee Anzalta Feehil Qur'an Wa Qad Taswarrama Wa Aoodhu Biwajhikal Kareem Yaa Rabbi Anyatlual Fajru Min Laylati Haadhihee Aw Yata-swarrama Shahru Ramadhaana Wa Laka Qibali Tabi'atun Aw Dhanbun Tureedu An Tu'Adh-Dhibanee Bihee Yawma Alqaaq.**

! Recite the **Duaa: Yaa Mudabbiral Umoor...** (Mentioned in previous pages).

! Recite **Duaa-e-Widaa'a** to bid farewell to the Holy Month of Ramadhaan. (refer M.Jinaan or Tuhfatus-Swaimeen)

! The Imaam said whoever recites the following Duaa he or she shall be pardoned of all the sins before the sunrise of the next day. Recite this Duaa: **Bismillaahir-Rahmaani-Raheem. Allaahumma Laa Taj'Alhoo Aakhirah Ahadi Min Swiyaami Li Shahri Ramadhaan Wa A'oodhu Bika Anyatlua Fajru Haadhihil-Laylati Illaa Wa Qad Ghafarta Lee.**

! The Holy Prophet (S.A.W.W.) said that whoever performs this A'amaal,, before he or she finishes it Allaah shall forgive all sins and shall accept whatever good deeds they had done in Ramadhaan Mubaarak. It is as follows: Pray **10 rak'at Namaaz** (in sets of 2) in which recite S.Ikhalaas 10 times after Al-Hamd in each rak'at, and in every Rukoo' and Sajdah recite 10 times: **Sub'haanallaahi Wal Hamdu Lillaahi Wa Laa Ilaaha Ilallaahu Wallaahu Akbar.** After Namaaz recite: 1000 times **Astaghfullaaha Wa Atoobu Ilayhi.** Then go into **Sajdah** and recite: **"Bismillaahir-Rahmaanir-Raheem. Yaa Hayyu Yaa Qayyoomu Ya Dhal Jalaali wal Ikraam Yaa Rahmanad-Dunya Wal Akhirati Wa Rahimhumaa Yaa Arhamar-Raahimeen Yaa Ilaahal Awwaleena Wal Aakhareen Ighfirlanaa Dhunoobanaa Wa Taqabbal Minnaa Swalaatanaa Wa Swiyaamanaa Wa Qiyaamanaa."**

The Holy Prophet (S.A.).W.W. said, *"This is a special gift for the men and women of my Ummaah, and Allaah has not given such a gift to anyone before me."*

Chapter 30

DUAA-E-KHATME QUR'AN

Recite this Duaa after Khitma of the Holy Qur'an, it is narrated by Imaam Ali (A.S.)

Bismillaar-Rahmaanir-Raheem. Allaahummashrah Bil Qur'ani Swadree Wasta'amil Bil Qur'ani Badanee Wa Nawwir Bil Qur'ani Baswaree Wa Atliq Bil Qur'ani Lisaanee Wa A'innee Alayhi Maa Abqaytanee Fa Innaahoo Laa Hawla Walaa Quwwata Illaa Bika.

Then recite this Duaa:

Bismillaahir-Rahmaanir-Raheem. Allaahummaa Innee As'aluka Ikhbaatal Mukhbiteen Wa Ikhlaaswal Mooqineen Wa Muraafaqatal Abraari Wa Istihqaaq Haqaaikil Eemaani Wal Ghaneemata Min Kulli Birrin Was-Salaamata Min Kulli Ismin Wa Wujooba Rahmatik Wa Az-aaima Maghfiratik Wal Fawza Bil Jannati Wa Najaatam-Minan-Naar.

SOME IMPORTANT NOTES:

! If one wishes to keep awake at night for longer times for the purpose of Ibaadaat one should make its preparation right from the day time, i.e. enough rest should be taken at day time, and heavy foods should not be consumed at night. Moreover, it is stated that whoever wants to keep night vigil should recite **Surah-e-Nabaa** so that the amount of sleep will be reduced.

! For making Tawba (asking of repentance for our sins, faults and mistakes it is related that one should recite (a) Surah-e-Tahreem, or S. Waaqiah, or S. Dukhaan. (b) Reciting of Duaa-e-Mujeer also is beneficial. (c) Praying Namaaz-e-Afw also erases our sins. (this is mentioned in the section of Repentance). (d) While repenting sincerely it is also effective if one puts both hands around the neck.

! Holy Month of Ramadhaan is divided into three parts, the first ten days are especially for **Barakah**; the other ten days are for **Rahmah**; and the final ten days are for **Maghfirah**. So it is advisable to act accordingly.

! It is very essential to remember our **Imaam-e-Zamaana A.F.** very often by reciting his Ziyaarat, his Salawaat, his Duaas etc. which are recorded in the books of Duaa.

! It is essential to **remember our dead** relatives, Ulamaa, our teachers and other Mu'mineen wal Mu'minaat by offering two rak'at Namaaz for each individually; or recite a Tasbeeh of Istighfaar for each; or recite a Tasbeeh of Salawaat for each, or perform any other good deeds for the benefit of Marhoomen. Our deeds for them are mutually beneficial.

NIGHT OF EED-AL-FITR

This is a majestic night. It is beneficial to **keep awake the whole night for Ibaadaa**. It is stated in traditions that this night is not of less importance than the night of Shb-e-Qadr.

Some A'amal for this night are as follows:

! Make **Ghusl** before sunset.

! Keep awake in Masjid for **Namaaz, Duaas, Istighfaar and beseeching Allaah**.

! Recite these **Takbiraat** after Naaz-e-Maghrib, Isha, Sub'h, and Eed Namaaz: **Allaahu Akbar Allaahu Akbar Laa Ilaaha Illallaahu Wal-laahu Akbar Allaahu Akbar Walillaahil Hamd Alhamdulillaahi Alaa Maa Hadaana Walahush-Shukru Alaa Maa Awlaanaa**.

! After Namaaz-e-Maghrib and its Naafila raise hands towards the heaven and recite:- **Yaa Dhal Manni Wat-Twawli Yaa Dhal Joodi Yaa Mustwafiya Muhammadin Wa Naaswirahoo Swalli Alaa Muhammadin Wa Aali Muhammad Waghfirlee Kulla Dhanbin Ahswaytahu Wa Huwa Indaka Fee Kitaabim-Mubeen**. The go into **Sajdah** and recite 100 times: **Atoobu Ilallaah**. Then besech your Haajat, Inshaa'Allaah it will be fulfilled.

! Recite **Ziyaarat of Imaam Husayn (A.S.)** which is special for this night. (ref.M.Jinaan).

! Recite this Dua 10 times: **Yaa Daa'imal Fadhli Alal Bariyyah, Yaa Baaswital Yadayni Bil Atwiyyah, Yaa Swaahibal Mawaahibis-Saniyyah, Swalli Alaa Muhammadin Wa Aalihee Khayril Waraa Sajiyyah Waghfir Lanaa Yaa Dhal Ulaa Fee Haadhihil Ashiyyah**.

! Pray those **10 rak'at** Namaaz which is mentioned in the last night of Maahe Ramadhaan.

! Recite **2 rak'at** Namaaz, in the first rak'at after Al-Hamd recite 1000 times Surah-e-Ikhlaas and in the second rak'at only once, in another tradition it is written only 100 times instead of 1000. After Namaaz go into **Sajdah** and recite: **Yaa Dhal Manni Wal Joodi Yaa Dhal Manni wat-Twawli Ya Mustwafiya Muhammadin Swallallaahu Alayhi Wa Aalihee Swalli Alaa Muhammadin Wa Aalihee Waf'al Bee.....(Haajaat)**. Imaam Ali (A.S.) used to pray this Namaaz and after rising from Sajdah he said, "By the One in Whose Hands is my soul, whoever prays this Namaaz and asks anything from Allaah he will get it, and even his sins may be as much as the particles of sand shall be forgiven all." And finally there is a Duaa to be recited after this Namaaz for which please refer to Mafaatihul Jinaan.

! Pray **14 rak'at Namaaz**, in each rak'at recite Aayatul Kursee once and S.Ikhlaas 3 times. **The Sawab for each rak'at is equal to the forty years' worship, and also as of a person who has prayed and Fasted in this month.**

! Finally, at the end of the night one should make **Ghusl** and attend to Namaaz-e-Sub'h.

Chapter 32

SHAWWAAL

! The first day of this month is the **Day of Eed-al-Fitr**. There are some A'amaal to be done, they are:-

! Recite **Takbeeraat** (mentioned hereby previously) after Namaaz-e-Sub'h and Eed-Namaaz.

! Give **Zakaat-e-Fitra**, which is 3 kilograms per person and better give it before Namaaz-e-Eed. This is an emphasized Waajib, it is a means of acceptance of our A'amaal during Maahe Ramadhaan and it is also a safeguard against death.

! Make **Ghusl**. It should not be under the sky but better in a closed bathroom. And recite this Duaa before it:- **Allaahumma Eemanan Bika Wa Tasdeeqan Bi Kitaabika Wa Ittibaa'a Sunnati Nabiyyika Muhammadin Swallallaahu Alayhi Wa Aalihee**. Then recite **Bismillaah...** and start making Ghusl, after finishing recite this Duaa: **Allaahummaj'alhoo Kaffaaratan Li Dhunoobee Wa Twahhir Deenee Allaahumma Adh'hib Annid-Danas**.

! Do **Iftaar** before praying Eed-Namaaz. Pray **Eed-Namaaz**.

! Recite **Ziyaarat of Imaam Husayn (A.S.)**

! Recite **Duaa-e-Nudbaa**.

! There are also some **Duaas** to be recited while going for the Eed Prayers, and Duaas after Eed Prayers. (ref.M.Jinaan)

8TH SHAWWAAL:

Today was the most dreadful day when the Holy Shrines of our Aimmah and others among the Prophet's family were destroyed in Jannatul Baqee by the accursed enemies of Islaam.

It is essential to remember those whose shrines were destroyed, some amongst them being **Bibi Fatima Zehra (S.A.) - the Daughter of the Holy Prophet (S.A.W.W.), his Holy wives, and his companions, Imaam Hasan (A.S.), Imaam Zaynul Aabideen (A.S.), Imaam Muhammad Taqee (A.S.), and Imaam Ja'afar Saadiq (A.S.)**

It is better recite their Ziyaarat and Ziyarat-e-Jaamia today.

25TH SHAWWAAL:

Today is the fateful day when **Imaam Ja'afar Saadiq (A.S.)** was martyred by giving him poison in grapes. At his last moments he opened his eyes, gathered his household members and said, **"Our intercession will not reach that person who is careless of Namaaz."**

Chapter 33

ZILQAADA

It is stated that **Duaas and supplications** in this month are very effective to ward off problems and tribulations.

! On any Sunday, make **Ghusl**, then do **Wudhoo** and pray **4 rak'ats of Namaaz** in this way – in each rak'at after Al-Hamd recite 3 times S.Ikhlaas, once S.Al-Falak and once S.An-Naas. After Namaaz recite 70 times **Astaghfirullaaha Rabbi Wa Atoobu Ilayhi**, and then once –**Laa Hawla Walaa Quwwata Illaa Billaahil Aliyyil Adhweem, Yaa Azeezu Yaa Ghaffaaruu Ighfir Lee Dhunoobee Wa Dhunnoba Jamee'il Mu'mineena Wal Mu'minaati Fa Innahoo La Yaghfirudh-Dhunooba Illaa Anta.**

BENEFITS:

Rasoolullaah (S.A.W.W.) said that whoever does this Amal his or her sins will be forgiven, his repentance will be accepted, his enemies will be pleased with him in Qayaamat, his death will be on faith, his faith will be secured, his grave will be made expansive, his parents will be pleased with him, his parents and children will be forgiven, his sustenance will be increased, and at the time of death his soul will be taken away with great ease.

! In this month the Sawaab of good deeds are recorded manifold as well are the punishment for bad deeds.

! To observe **Fasting** consecutively on **Thursday, Friday and Saturday** earns the Sawaab of ninty years' Ibaadat.

! The 11th day is the birth-day of **Imaam Ali Radhaa (A.S.)** so it is recommended to recite his **Ziyaarat and Salawaat.**

! The **15th night** is a meritorious night, Allaah (S.W.T.) showers His Mercy on His Mu'min Servents. Whoever observes Ibaadaat during this night gets the Sawaab similar to hundred people who have Fasted and spent all their lives in Masjid and have not committed a single sin even for a moment.

! According to some traditions **23rd day** is the day of Martyrdom of **Imaam Ali Ridhaa (A.S.)** so it is Sunnat to recite his **Ziyaarat** today.

! On **23rd** of this month it is Mustahab to recite **Ziyaarat of Imaam Ali Ridhaa (A.S.)**

! **25th night** is the night of **Dahwul Ardh.** It was tonight that the land was spread from beneath Khana-e-Kaaba on water. Mercy of Allaah descends tonight. There is great Sawaab to spend this night in Ibaadaat.

! Imaam Ali Ridhaa (A.S.) said that tonight were born Hazrat Ibraahim (A.S.) and also Hazrat Isa (A.S.) so it carries much Sawaab to observe **Fast**, its Sawaab is equal to the Fasts of sixty years.

! **25th Day.** Today is the day of **Dahwul Ardh**, according to some traditions **Imaam-e-Zamaana A.F.** shall reappear on this date. This is one of the four days of the year in which **Fasting carries extensive reward.**

! Make **Ghusl.**

! Observe **Fasting.** The Fast of today is equal to the Fasts of 70 years and is expiation for the sins of 70 years. It is stated that every thing in the world will recite Istighfaar for the person who observes Fasting today.

! Today after sunrise there is an A'amal of **2 rak'at Namaaz** with 5 times S.Wash-Shamsi Wadh-Dhuhaa in every rak'at and then Duaa. (please refer M.Jinaan).

! It is **Sunnat-e-Mu'akkida** (highly emphasized) to recite **Ziyaarat of Imaam Ali Radhaa (A.S.)** today.

! The last day of this month is the **Shahaadat-Day of Imaam Muhammad Taqee (A.S.)** so we should recite his **Ziyaarat** on this day. The Imaam was poisoned by Mu'tasim Mal'oon in A.H.220.

Chapter 34

ZILHAJ J

This month of Dhu-l-Hijjah (Zilhajj) is a very praiseworthy month. **Specifically the starting ten days are very meritorious days.** Rasoolullaah (S.A.W.W.) said that there are no better days than these ten days in which Allaah (S.W.T.) likes Ibaadaat and Khayr the most.

! The one who observes **Fasting** for the first nine days gets the Sawaab of Fasting a whole year.

! Everyday during these ten days, in between Maghrib and Isha pray 2 rak'at Namaaz in which recite this Duaa after Al-Hamd and Qul-huwallaah...: **Wa Waa'Adnaa Moosa Thalaatheena Laylatan Wa At-mamnaahaa Bi Ashrin Fa Tamma Meeqaatu Rabbihee Arba'eena Lay-la, Wa Qaala Moosa Li Akheehi Haarunakh-Lufnee Fee Qawmee Wa Aslih Walaa Tat-Tabi'a Sabeelal Mufsideen.**

! **Benefit:** You shall be a partner in the Sawaab of those who performed Hajj.

! After Sub'h and before Maghrib there is a Duaa by Imaam Ja'afar Saadiq (A.S.) (ref.M.Jinaan).

! There are 5 Duaas which Jibrael (A.S.) brought as a gift to Nabi Isa (A.S.) from Allaah (S.W.T.) They are to be recited 10 times each: (1) **Ash'hadu An Laa Ilaaha Illallaahu Wahdahoo Laa Shareeka Lahoo Lahul Mulku Walahul Hamdu Biyadihil Khayru Wahuwa Alaa Kulli Shay'in Qadeer.** (2) **Ash'hadu An Laa Ilaaha Illallaahu Wahdahoo Laa Shareeka Lahoo Ahadan Swamadan Lamyat-Takhidh Swaahibatan Walaa Waladan.** (3) **Ash'hadu An Laa Ilaaha Illallaahu Wahdahoo Laa Shareeka Lahoo Ahadan Swamadan Lam Yalid Walam Yoolad Walam Ya Kunlahoo Kufuwan Ahad.** (4) **Ash'hadu An Laa Ilaaha Illallaahu Wahdahoo Laa Shareeka Lahoo Lahul Mulku Walahul Hamdu Yuhye Wa Yumeetu Wahuwa Hayyun Laa Yamootu Biyadihil Khayru Wahuwa Alaa Kulli Shay'in Qadeer.** (5) **Hasbiyallaahu Wa Kafa Samiiallaahu Liman Da'aa Laysa Waraa'Allaah Bima Da'aa Wa Anna-hoo Baree'un Mimman Tabarra'a Wa Anna Lil Aakhirati Wal Oolaa.**

! This is another **Duaa** by Ameerul Mu'mineen (A.S.) to be recited **10 times daily for 10 days**, its Sawaab is great: **Bismillaahir-Rahmaanir-Raheem. Laa Ilaaha Illallaahu Adadal-layaali Wad-Duhoori, Laa Ilaaha Illallaahu Adada Amwaajil Buhoori, Laa Ilaaha Illallaahu Wa Rahmatuhoo Khayrum-Mimmaa Yajmaoon, Laa Ilaaha Illallaaho Adadash- Shawkish-Shajari, Laa Ilaaha Illallaahu Adadash-Sha'ari Wal Wabari, Laa Ilaaha Illallaahu Adadal Hajari Wal Madari, Laa Ilaaha Illallaahu Adada Lamhil Uyooni, Laa Ilaaha Illallaahu Fil-Layli Idhaa As'Asa Was-Sub'hi Idhaa Tanaffasa, Laa Ilaaha Illallaahu Adadar-Riyaahi Fill Baraari Was-Sukhoori, Laa Ilaaha Illallaahu Minal Yawmi Ilaa Yawmi Yunfakhu Fis-Soor.**

THE 1ST DAY:

! This day is an exceptional graceful day. **Fasting** on this day is similar to that for eighty years.

! Recite **Namaz-e-Bibi Faatima Zehra (S.A.)** It is a 4 rak'at Namaaz. In each rak'at recite 50 times Surah-e-Ikhlaas after Al-Hamd. After Namaaz recite this Tasbeeh:- **Sub'haana Dhill Izzish-Shaamikhil Muneefi Sub'haana Dhill Jalaalil Baadhikhil Adhweemi Sub'haana Dhill Mulkil Faakhiril Qadeemi Sub'haana Man Yaraa Atharan-Namlati Fis-Swafaa Sub'haana Man Yaraa Waq'at-Twayri Fil Hawaai Sub'haana Man Huwa Haakadhaa Walaa Haakadhaa.**

! Half hour before noon: Pray 2 rak'at Namaaz, after Al-Hamd recite 10 times S.Ikhlaas, 10 times Aayatul Kursee, and 10 times S.Qadr.

! The one who fears a Dhaalim should recite this Duaa so tha the shall be rescued from tribulations: **Hasbee Hasbee Hasbee Min Su'aali Ilmuka Bihaali.**

The one who is fortunate to be in Karbalaa at the Holy Shrine of Imaam Husayn (A.S.) under the Blessed Kubba earns the Sawaab of not less than that who is present in Arafat, rather it is much more than that. There is a special Ziyaarat for today, please refer M.Jinaan for it. Chapter 36

EED-E-GHADEER

Today is considered **the greatest Eed** by Almighty Allaah and Aal-e-Muhammad. To whomsoever Allah bestowed Apostleship, they observed this day as a very revered day of Eed.

Imaam Ja'afar Saadiq A.S. was once asked that if there was any other Eed besides the Eed of Fitr, Adh'haa, and Jummah, he said that there is one of the greatest Eeds and it is the Eed of Ghadeer on 18th Zilhijjah when the Holy Prophet (S.A.W.W.) announced publicly about the Imaamat and Khilaafat of Imaam Ali (A.S.) declaring, "**Man Kuntu Mawlaahu Faa Haadhaa Aliyyun Mawlaahu.**" The questioner asked the Imaam that what deeds should we do today? He answered that you should **observe Fasting, remember Muhammad (S.A.W.W) and Aali Muhammad (A.S.) and send Salawaat on them abundantly.**

Imaam Ali Radhaa (A.S.) said to one of his companions that from wherever he was he should try to reach to the Holy Shrine of Imaam Ali (A.S.) because today Allaah S.W.T pardons the sins for sixty years of every Mu'min men and women, and every Muslim men and women. And also He emancipates people from Hell fire as He does in Shab-e-Qadr and Shab-e-Eed. To give one dirham to your Mu'min brother today is more benevolent than to give one thousand dirhams in other days. And it is very beneficent to be compassionate and kind and lenient to your Mu'min brothers and sisters today. The Imaam said on oath that if people would recognize the sanctity and excellence of this day the Angels would shake hands with them. So it is of utmost importance that we should give appropriate reverence to this day of Ghadeer.

For the blessed day of Ghadeer one should put on good cloths, wear best perfume, rejoice, make the Shias also rejoice, forgive their mistakes, fulfil their needs, be considerate and free handed to relatives, spend on their children, send food to Mu'mineen, give Iftaar to those who have Fasted, meet Mu'mineen with delight and shake hands with them, send them gifts, and rejoice because of the great blessing from Allaah in the

way of the Wilayat of Imaam Ali (A.S.) Today do much Ibaadat and recite Salawaat many times. To feed a Mu'min today is equal to feed all the Prophets and Virtuous. Imaam Ameerul Mu'mineen (A.S.) said that to make Iftaar for a Fasting person is equal to making the same to two hundred thousand people amongst Prophets, Pious, and Martyrs.

There are some A'amaals to be done for today:

! Observe **Fast**. Its merit is equal to the Fastings of the whole life and 100 Hajj and Umrah.

! Make **Ghusl**.

! Recite **Ziyaarat of Imaam Ali (A.S.)** known as **Ziyaarat-e-Ameenullah**

! Recite another **Ziyaarat-e-Jaamia Mutliqah**.

! Pray **2 rak'at Namaaz** just before noon in the first rak'at Innaa Anzalnaa and in the second S. Ikhalaas once each. Then go into **Sajdah** and recite **100 times Shukr of Allaah**. Then raise from it and recite a **Duaa** (ref.M.Jinan), then another **Sajdah** and recite 100 times **Al-Hamdu-lillaah** and 100 times **Shukran-Lillaah**.

MERIT: The performer of this A'mal is as if he was present at Ghadeer-e-Khum and accepted all what Rasoolullah (S.A.W.W.) has said.

! After **Ghusl**, half hour before noon pray 2 rak'at Namaaz in which, after Al-Hamd recite 10 times S.Ikhlaas, 10 times Aayatul Kursee, and 10 times S.Ikhlaas in each rak'at. **MERIT:** Sawaab of one lack Hajj, one lack Umrah, the Haajaat shall be granted, and good health guaranteed..

! Recite **Duaa-e-Nudbaa** today.

Other **Duaas** are in Mafaatihul Jinaan.

EED-E-MUBAAHILA 24TH DAY

Today is the day of great rejoicing and full conviction that Islaam is the true religion and the Holy Prophet (S.A.W.W.) and his Holy Ahlul Bayt are the True Guides of the right path. This is because some non-Muslims, Christians from Najraan, came to the Holy Prophet for the arguments concerning true religion. The Holy Prophet tried his best to make them understand the true matter but due to their stubbornness the non-Muslims did not believe. Finally they decided to come to an open ground together with their respective sons, daughters, and selves and invoke curses on the one who is not on the right. But when they observed that the Prophet had brought with him the most loved and near ones with him, whose personality so much godly and astounding, and they observed the signs of Adhaab ready to come over them, so they accepted their defeat and thus Islaam was proved to be the rightful religion.

Today was the day when **Aayae - Tat'heer** was revealed to ascertain the purity of Ahlul Bayt.

Today was the day when Imaam Ali (A.S.) in the state of Rukoo' gave away his valueable ring to a needy person, and Allaah revealed the Aayat of "**Innamaa Waliyyukumullaah...**" In the honour of Imaam Ali (A.S.)

Some A'amaal for today:

- ! Make **Ghusl**.
- ! Observe **Fast**.
- ! Pray **2 rak'at Namaaz** such as that of Eed-Ghadeer's.
- ! Recite **Duaa-e-Mubaahila**. (ref.M.Jinaan).
- ! Give **Alms** to Faqeer.
- ! Recite **Ziyaarat of Imaam Ali (A.S.)** better to recite **Z.Jaamia**.

25TH DAY:

It is an honourable day today. **Surah-e-Hal-Ataa** was revealed today in honour of Ahlul Bayt. They had Fasted for three days but at the time of Iftaar they broke their Fasts with water only because a needy, an orphan and a prisoner respectively had come at their door to ask for food, so every member of the family of Ahlul Bayt gave away his portion of food, in spite of themselves being in need of it.

SOME A'AMAL FOR TODAY:

- ! In the eve of this night give **alms** to the needy and deserving.
- ! On this day it is recommended to observe **Fasting**.
- ! Recite **Ziyaarat-e-Jaamiah**.
- ! Recite **Duaa-e-Mubaahila**.

THE LAST DAY OF ZILHAJJ:

Today is the last day of the year. Pray **2 rak'at Namaaz**, after Al-Hamd recite 10 times S.Ikhlaas and 10 times Aayatul Kurseer, and after Namaaz recite this **Duaa**:

Bismillaahir-Rahmaanir-Raheem. Allaahumma Maa Amiltu Fee Haadhihis-Sanati Min Amalin Nahaytahu Anhu Walan Tardhahu Wa Naseetuhoo Walam Tansahoo Wa Da'awtanee Ilat-Tawbati Ba'adajtiraaee Alayka Allaahumma Fa Ainnee Astaghfiruka Minhoo Faghfirlee Wamaa Amiltu Min Amalin Yuqarribunee Ilayka Faqbalhu Minnee Walaa Taqtwa'a Rajaa'i Minka Yaa Kareemu.

Merits: When you have recited this much the accursed Shaytan shall be disappointed and flees away disgraced.

Chapter 37

MUHARRAM

This is a month of great sorrow and mourning for the Ahlul Bayt and their followers. This is because of the brutal killings of Imaam Husayn and his companions on the plains of Karbalaa by the multitude army of accursed Yazid. Imaam Hussain (A.S.) and his followers had no any fault nor did they commit any offence except that they were the truth-loving people on the right path. The Yezidites wished them all to be on their evil guidelines abandoniong the truthful Shariah laid down by the Almighty Allaah and brought by the Holy Prophet (S.A.W.W.) While Imaam Husain (A.S.) stood steadfast on the preservation of the Islamic Shariah, Yazid and his henchmen wanted the Imaam to endorse on their own beastly and unhuman ways of life. But Imaam Husain (A.S.) being the inheritor of the bringer of Shariah did not give a nod to those wild Yezidites and thus he willingly agreed even to pay heavily by sacrificing the invaluable lives of his family members, companions, and his own self. Thus the Imaam saved Islaam for ever upto the day of Qayaamat. They were kept thirsty for three consecutive days and brutally massacred one by one, from age-olds to infants. Even then the merciless forces were not at rest, they imprisoned the holy innocent and helpless ladies and children of the Holy Household and tortured them for a long time. And this is why we expess our affection towards Imaam Husain and hatred towards Yezidites by commemorating the sorrowful event of the tragedy of Karbala in Muharram. There are some A'amaal in this month as follows:

FIRST NIGHT:

! Pray **100 rak'at Namaaz**, after Al-Hamd recite S.Ikhlās once only.

! Pray **2 rak'at Namaz** in which recite S.An-Aam after Al-Hamd in the first rak'at and S.Yaaseen in the second.

! Pray **2 rak'at Namaaz** in which recite 11 times S.Ikhlaas after Al-Hamd in each rak'at.

The First Day:

! Observe **Fast** and then beseech Allaah for your Haajat, I/A you shall be successful. It is Mustahab to observe **Fasting** for the first nine days.

! Pray **2 rak'at Namaz** and then a Dua from Mafaatihul Jinaan.

THE THIRD DAY:

! Whoever observes **Fasting** today his problems shall be eased, and will come out of tribulations, and his Duaa shall be granted.

THE TENTH NIGHT –SHAB-E-AASHOOR

! Pray **100 rak'a Namaaz** and in each rak'at after Al-Hamd recite 3 times Surah-e-Ikhlaas. Then recite this Duaa: **Sub'haanallaahi Wal Hamdu Lillaahi Wa Laailaaha Illallaahu Wallaahu Akbar Walaa Hawla Wala Quwwata Illaa Bilaahil Aliyyil Adhweem.**

! Recite **Namaaz-e-Ameerul Mu'mineen**: 4 rak'at Namaz in which recite 50 times S.Ikhlaas after Al-Hamd in every rak'at.

! At the end of this night pray **4 rak'at Namaaz**, in each rak'at after Al-Hamd recite 10 times S.Ikhlaas, 10 times Aayatul Kursee, 10 times S. Al-Falak, 10 times S.An-Naas. After Namaaz recite 100 times S'Ikhlaas.

! **Night vigil** is highly recommended for Ibaadaat. Recite Duaas, Salawaat, and send as many curses as possible on the enemies of Ahlul Bayt. Tonight's worship carries Sawaab of 70 years' Ibaadaat.

AASHOORA:

Today is the day of **Martyrdom of Imaam Husayn (A.S.)** It is a great day of sorrow and mourning for the Shiahs. Do not busy yourselves in worldly matters today. Hold Majaalises and commemorate Aashoora with utmost sadness. Invoke curses on the enemies of Imaam Husayn (A.S.)

We should express **Pursa** (condolenses) to each other in these words:

A'azamallaahu Ujooranaa Bi Muswaabinaa Bil Husayni Alayhissalaamu Wa Ja'alnaa Wa Iyyaakum Minat-Twaalibeen Bi Saarihi Ma'a Waliyyehil Imaamil Mahdiyyi Min Aali Muhaammadin Alayhimus-Salaam.

Anyone who is fortunate today to be present at Karbala near to the Blessed Grave of Imaam Husayn (A.S.) should freely give water to the people, its merit is such as he gave the water to the army of Imaam Husayn (A.S.) and was with them on the day of Aashoora.

There is tremendous Sawaab in reciting **1000 times Surah-e-Ikhlaas** today.

Recite **Duaa-e-Asharaat**. (ref. M.Jinaan)

Today we ought to behave as much sorrowfully and gloomily as possible, expressing our paramount disgust for the outrageous event of Aashoora in which Imaam Husayn (A.S.) and his bend of few thirsty and hungry companions were innocently slaughtered with the most animalistic brutality by the so-called Muslims of the army of Yazid L.A.

Today Fasting is not allowed but we should not eat or drink anything until at late afternoon partaking the simplest food.

Allama Majlisi says that it is better not to observe Fasting on the Ninth and Tenth of Muharram because Bani Umayya and their followers used to rejoice on the event of Karbala, they considered these two days to be very much good for them and thus they observed Fasting on this fateful event., and they also accumulated their needful things for the year.

Therefore Imaam Ali Radhaa (A.S.) said that anyone who leave his worldly business Allaah shall accomplish all his works and undertakings, and one who will pass this day in sadness, sorrow, and tears, and encourage his household members also to the same, Allaah will make the day of Qayaamat a happy event for him. Whoever accumulates worldly things for peace and pleasure Allaah will take away His Barakat from them and shall gather them on Qayamat with the Accursed Yazid bin Muawiya, Uubaydulla bin Ziyad, Umar bin Saad, and their

associates (may Allah's everlasting curses be on them and remain in greatest tribulation forever). Aameen.

Today we should not even laugh or pass the time in playing games, but for the whole day and night we should behave like a bereaved people. We should ponder over the reasons of such a great event that for what cause it occurred and now what is our duty towards it, how should we live our lives so as to be in line with the cause of Imaam Husayn (A.S.)

Recite 1000 times:

Allaahumal'An Qatalatal Husayn Alayhissalaam.

FALSE TRADITIONS:

There are some false traditions manufactured by Bani Umayyas such as {{{“giving credence of merits of Fasting on Aashoora, beseeching Allaah for your Haajaats being Mustahab, every Prophet was blessed with some good this day, the fire of Namrood went off today, Nabi Nooh’s ark came to a safe halt today, army of Firown drowned today, Nabi Isa was rescued from Jews, Tawba of Nabi Adam was accepted today, Nabi Yunus came out of the belly of the fish today, accumulating the necessities for the next year, hadeeth to beautify oneself and rejoice, and some false Duaas such as `` Sub’haanallahi Mil’al Meezaani Wa Muntahal Hilmi Wa Mablaghar-Ridhaa Wa Zinatal Arshi, then- Yaa Qaabila Tawbata Adama Yawma Aashoora Yaa Raafi’a Idreesa Ila-Samaai Yawma Aashoora Yaa Musakkina Safeenati Noohinn Alal Joodiyyi Yawmi Aashoora Yaa Ghiyaasa Ibrahima Minan-Naari Yawma Aashoora.....`` etc.”}} All this sort of material does not make any sense, history has authentic records to every event of Prophets against what they claim to happen on Aashoora.

Therefore we should be careful in it. Their main intention was to cover this great issue of Karbala so that people should not come to know the actual matter that the so-called Muslim rulers were actually worse than infidels and they wished that Imam Husayn (A.S.) may give his consent to the un-Islamic and un-humanly ways of their lives so that it gets a permanent seal of Islaam and thus a thick veil may cover their misdeeds and their predecessors’ misdeeds also., consequently burying the religion of Islaam from its very foundation. This was the main cause to demand Bay’at but nevertheless they were defeated in their cause but Imaam Husayn (A.S.) came out victorious even though by the greatest sacrifices, he won the battle which was actually between the causes, he won in his cause, which is obvious to all the world today, a proof being his magnificent Shrine and his followers all around the globe commemorating Muharram. While his enemies are wiped out and became extinct species of oppressors, looters, and debauches. Nobody knows and cares of the whereabouts of their unclean remains.

However, in the evening of this day we should recite **Ziyaarat-e-Tahiyyat**, i.e. the Ziyaarat to convey our condolences to the Holy Prophet and Ahlul Bayt Alayhimussalaam. For this Ziyaarat please refer Ma-faatihul Jinaan. It was on this same evening of 61 A.H. that the cruel and brutal army of accursed Yazid took captive the respected and honourable ladies of Ahlul Bayt and still denying them even some water to

drink. It was a dreaful evening for those holy ladies lamenting for their dead ones on one side and on the other side being subjected to tortures by setting their camps on fire. The intense Zulm on them is enough to melt the hardest heart.

25TH OF MUHARRAM:

This is the Martyrdom Day of Imaam Zaynul Aabedeen (A.S.) The Imaam was present in Karbalaa on Aashoora but he was severely sick and was in a state of unconsciousness most of the time. After the massacre of Karbala on the second day he was made to walk bare-footed to Kufa and then to Shaam, together with the holy ladies, moreover he was mercilessly chained also.

The unimaginable Zulm inflicted on the family of the Holy Prophet (S.A.W.W.) is enough to make a human being weep tears of blood throughout entire life. Let us pray to The All-Just Allaah that those Zaalims and their 'yes men' and those who had created foundation for the massacre of Karbalaa remain under the most severe curse from All-mighty Allaah forever ever ever. Aameen.

We are under the highest obligation from the martyrs of Karbala because it is because of their precious sacrifice that Islaam was saved and we are Muslims today. Therefore we should dutifully remember them by reciting their Ziyarat, and by offering some Namaaz on their behalf, and keep up the spirit of Islaam ever high.

Surah-e-Fajr has its other name as **Surah-e-Imaam Husayn (A.S.)** so it is beter to recite it often to refresh the memories concerning Imaam Husayn (A.S.) Recite this Surah in Wajib and Sunat Namaaz, it has got its merits.

Reciting **Ziyaarat-e-Aashoora** is not limited to the day of Aashoora only. We should recite it as often as possible, its merits are beyond imagination.

Namaaz-e-Imaam Husayn (A.S.) should be prayed for his remembrance. (ref.M.Jinaan)

Recite **Ziyaarat-e-Naahiya**. This is to salute Shohadaa-e-Karbalaa. Imaam-e-Zamaana recites this Ziyaarat.

The sister of Imaam Husayn (A.S.), Bibi Zaynab (S.A.) has also a very great share in safeguarding Islaam. She suffered enormous hardships from Karbala to Kufa and Shaam. It was her holy presence among the captives who managed to answer bravely to the Zalims and made it known to the public masses their identity which the Zalims were intentionally hiding. After Krbala the mission of Imaam Husayn was completed by Bibi Zaynab (S.A.) It was Bibi Zaynab (S.A.) who made it known to those who were ignorant about the cause of Martyrdom of Imaam Husayn (A.S.) And it was Bibi Zaynab (S.A.) who unveiled the hypocrites and infidels who were behind the atrocities of Karbalaa.

So it is our duty to remember the **Holy Lady Bibi Zaynab Salaamullaahi Alayhaa** by reciting her **Ziyaarat** as often as possible. Moreover, if luck permeates, one should visit her Blessed Shrine in Shaam to pay due tributes. Her Shrine stands as lively as the Holy Shrine of Imaam Husayn (A.S.) in Karbalaa. And one should not doubt about the Mo'jiza at Bibi Zaynab (S.A.)'s shrine. They do happen and faithfals are certainly benefited over there.

One of the most heart rendering atrocities of the tragedy of Karbalaa is that the loving daughter of Imaam Husayn (A.S.), Bibi Sakeena (S.A.) who was only four years old was also subjected to untold Dhulm. She was amongst the captives in a dreadful prison. She endured very much but atlast the small soul could not bear the atrocities any more and she breathed her last in the very prison. She was buried therein. Today her Holy Shrine also stands with full glory and majesty in Shaam. We should also recite **Ziyaarat of Bibi Sakina (S.A.)** realizing how much sufferings she had to bear for the sake of Islaam, although she was little in age but as a blessed daughter of the Imaam she was highly learned and knowledgable.

It was only by the command of Allaah (S.W.T.) that Imaam Sajjaad (A.S.) remained alive through the tragedy of Karbalaa, otherwise the enemies of Islaam, specifically Banu Umayya had firm plans to extinguish the light of Islaam by sparing not a single male person from Ahlul Bayt so that Islaam could no longer be propogated. The cruel Yezidites did not spare even the feeding infant Ali Asghar (A.S.) who was only six month old. But as Allaah S.W.T has declared in His Holy Book that it is a vain effort by the infidels to extinguish the light of Islaam, it will ever remain shining upto the last day on earth.

The Dhulm they had committed in Karbalaa was at its peak. No more of it can ever be imagined of. Atrocities were of such extents that a simple-minded would think as if the oppressed were of the most severe crime. In fact Imaam Husayn (A.S.), his household members, and his companions were quite innocent and sinless. The only sin, if it could ever be called a 'sin', in the sight of the oppressors was that the Imaam was on a right path leading pious life and guiding people to the right path. While Bani Umayya being the worshippers of this world, and infidels at their hearts, wanted quite the opposite, i.e. keeping the masses in darkness of ignorance and leading them astray, thus gaining power to rule over them.

When the treaty was concluded between Imaam Hasan (A.S.) and Muawiya it was particularly mentioned that he will not appoint anyone

to succeed him in ruling the state, but as was their old custom Muawiya committed breach of agreement and appointed his drunkard and animalistic son Yazid to be his successor. When Imaam Husayn (A.S.) was told to give his consent and recognize Yazid as a rightful caliph of the Holy Prophet it was obvious that such a holy person can never agree to it. And the war started between good and evil. Yazid was sure that if Imaam Husayn (A.S.) did not recognize him then his empire was doomed to the extinct. He and his likes were completely absorbed in vanity they did not wish to leave their beastly pleasures of this world at any cost. As such, they had put aside all the reverence and sanctity of Allaah, His Prophet, and Ahlul Bayt, and acted according to their own devilish desires.

Bani Umayya had started their enmity towards Islaam from the very beginning era. They prosecuted Muslims in Makkah, they even tried to assassinate the Holy Prophet (S.A.W.W.), they waged bloody wars against Muslims in Madeena, they poisoned and assassinated the Imaams, they commenced their enmity just on the moment the Holy Prophet left the world, but in spite of uncountable tortures and killings of Muslims yet today Muslims' figure stands towering at its maximum. Especially they wished the progeny of the Holy Prophet to be wiped out, and they certainly did it to their best, but it is obvious that today not a single corner of earth is without any population of Sayyids, i.e. the generations of Ahlul Bayt (A.S.) After the fall of Umayyids the accursed Bani Abbaasis took over their job. Even though they committed untold atrocities, brutalities, tortures and massacres on Ahlul Bayt and their followers, but they also could not wipe out Islaam. From east to west and from north to south there are scattered like pearls people and Ulamaa from the progeny of the Holy Prophet (S.A.W.W.), but ask for the Bani Umayya or Bani Abbaasis, there is no trace of them anywhere. They are an extinct species.

7TH SAFAR:

Day of Shahaadat of **Imaam Hasan (A.S.)** (according to another tradition it is 28th Safar); **Imaam Moosa-e-Kaadhim (A.S.)** was born today.

ARBA'EEN. (CHEHLUM) 20TH SAFAR:

Today is the day of **Chehloom** (Foutieth) of Imaam Husayn (A.S.) It was on this day the family of Imaam Husayn (A.S.) returned from Shaam to Madeena. The revered companion of the Holy Prophet, Janaabe Jaabir bin Abdullah Ansaari today reached Karbalaa and he was the first Zaair (Visitor to the Holy Grave)) of Imaam Husayn (A.S.)

It is Mustahab to recite **Ziyaarat of Imaam Husayn (A.S.)** especially **Ziyaarat-e-Arbaeen.**

Imaam Hasan Askari (A.S.) said that five things are the sign of a Mu'min, they are:

- ! Praying totally 51 rak'at Namaaz during 24 hours,
- ! Reciting Ziyaarat of Imaam Husayn (A.S.) on Arbaeen,
- ! Wearing a ring on right hand,
- ! Prostrating on the sand (Sajdagaah/Mohr), and
- ! Speaking Bismillaahir-Rahmanir-Raheem aloud in Namaaz.

28TH SAFAR:

On this fateful day of 11 A.H. the **Holy Prophet (S.A.W.W.)** left the world for the everlasting abode at the age of 63 years. At the age of 40 revelation started to descend on him and he started propogating openly. He worked very hard and endured all sorts of problems and troubles from infidels of Makka uptill 13 years. At the age of 53 The Holy Prophet (S.A.W.W.) migrated to Madeena and established the first Islaamic State there. The infidels did not left any stone unturned so as to wipe out the very roots of Islaam but the unflenchig and firm faith of Muslims did not allow it to happen and Islaam went on gaining power day in day out. He remained in Madeena for 10 years and his holy soul departed on Monday, 28th Safar, 11 A.H.

The Holy Prophet (S.A.W.W.) had endured so much sufferings during his life time that he had to declare that no any Prophet had suffered so much as he had to. As the history is witness that he had to suffer the insults and injuries from Quraish and others to such an extent that they hindered people to come even near to the Prophet, lest they hear the verses of Holy Qur'an and be attached to him. The enemies of Islaam boycotted him and his tribe in Makkah so that he had to stay in a distant velley in a state of the impending fear of enemies' attacks. He was also targeted to be assassinated but was miraculously saved by Allaah (S.W.T.) His blessed body was injured by stones and dirt was often thrown on him. Thorns were laid on his path so as to injure him on his feet.

Even after his migration to Madeena the infidels of Makkaah did not leave him but persueded him and imposed many bloody wars on him. Not satisfied with all these atrocities and shameful acts, even when the Prophet was on his death-bed they ignored his commands on his face, and when he breathed his last, the hypocrites left his holy dead body unattended and made a rush to grab the power and rulership of the State.

The people of Arabia were in a state of barbaric community and sunk in dark ignorance, it was the Holy Prophet who rescued them from there and made them human beings suitable to live in a well established society, but they did not realize its value. All this was of tremendous pain to the Holy Prophet. Moreover he was also sure of the impending danger of ignoring and torturing his Holy family members after him.

Inspite of all this the Holy Prophet never cursed the people of his Ummah, instead he gave his blessings to one and all and prayed to Allaah (S.W.T.) for the salvation of Muslims on the Day of Judgement. How

merciful was he who was actually sent as a Mercy to both worlds by the Merciful Lord of both the worlds !

It is necessary to recite the **Ziyaarat of the Holy Prophet (S.A.W.W.)** today and on other days, and remember him by **Salawaat, Duaas** and ponder over his blessed life which is a shining milestone for us to follow.

LAST DAY OF SAFAR:

On this day in 203 A.H. **Imaam Ali Radhaa (A.S.)** was martyred by poison given by Accursed Maamun Rasheed. At that time the Imaam was of 55 years of age. It is recommended to recite his **Ziyaarat** today.

Part 2
RABBIUL AWWAL

1ST NIGHT:

On this night, 13 years after Be'asat (public declaration of Prophet'hood), the Holy Prophet (S.A.W.W.) migrated to Madeena-e-Munawwara. The infidels had surrounded the Holy Prophet's house intending to massacre him. Imaam Ali (A.S.) slept on the Holy Prophet's bed and the Prophet went away unseen passing through the open swords of the enemies. They thought that the Prophet was inside sleeping in his bed but as they stormed in they amazingly saw Imaam Ali. Asked about the whereabouts of the Holy Prophet the enemies were answered so sharply as they deserved for. Imaam Ali (A.S.) was readily present to even sacrifice his life to save the Holy Prophet (S.A.W.W.) from the infidels. Therefore, on this night this Aayat of the Holy Qur'an was revealed in praise of Imaam Ali (A.S.) because of his great sacrifice to lay down his own life instead of the Holy Prophet (S.A.W.W.) **'Wa Minan-Naasi Man-Yashree Nafsahub-tighaa'a Mardhaatillaah...'**

AAB-E-NAYSAAN

The Holy Prophet (S.A.W.W.) said that Jibraeel (A.S.) told him about a particular **medicene**, that if it was utilized then there shall never arise any need to go to a Tabeeb (Doctor, Hakeem or a Healer). **This invaluable medicene is the Water of Aab-e-Naysaan.** It is the rain water raining in particular days only. *The rain which comes 23 days after Nawroz.* That is to say that if Nawroz falls on 21st March, then add 23 days to it and you will come to 15th April. So the rain which falls from 15th April upto 30 days, i.e. upto 14th May, is called Aab-e-Naysaan. Collect this water in a Paak utensil and recite these Holy Surahs over it. This will cure all types of disease, it is also useful for a prisoner to be freed, and colds can't do any harm on the one who drinks this water.

The following Surahs should be recited 70 times each over the said water: **S. Al-Hamd; Aayatul Kursee; S. Kaafiroon; S. A'Alaa; S. Al-Falak; S. An-Naas; S. Ikhlaas.**

Then recite 70 times –Laa Ilaaha Illallaahu; 70 times Allaahu Akbar; 70 times – Allaahumma Swalli Alaa Muhammadin Wa Aali Muhammad; and 70 times – Sub'haanallaahi Wal Hamdu Lillaahi Wa-laailaaha Illallaahu Wallaahu Akbar.

AAB-E-ZAMZAM (WATER FROM THE WELL OF ZAMZAM)

Water is the greatest gift from Almighty Allaah (S.W.T.), and it is the best liquid to drink for quenching thirst and remain healthy. There are some types of most preferable waters and the water of Zamzam is one amongst them which is proved to be much healthier and blessed one. The water of Furaat (River Euphrates) is also one of the blessed waters and it is said that every night angels ascend from the heavens and pour some water from the rivers of Paradise into the waters of Furaat.

Here we reproduce the article from a Chemical Engineer of Saudi Arabia concerning the provocation, laboratory tests, and its miraculous results:

“As the Hajj season approaches, I am reminded of the wonders of Aab-i-Zamzam. Let me go back to how it all started . In 1971, an Egyptian doctor wrote to the European Press a letter saying that Aab-I-Zamzam was not fit for drinking purposes. I immediately thought that this was just a form of prejudice against the Muslims and that since his statement was based on the assumption, that since the Khaana-I-Kaaba was a shallow place (below sea-level) and located in the center of the city of Makkah, all the waste water of the city collecting through the drains fell into well holding the water.

Fortunately the news came to Shah Faisal’s ears who got extremely angry and decided to disprove the Egyptian doctor’s provocative statement. He immediately ordered the Ministry of Agriculture and Water Resources to investigate and send samples of Aab-I-Zamzam to European laboratories for testing the pot-ability of the water. The Ministry then instructed The Jeddah Power And Desalination Plants to carry out this task. It was here that I was employed as a de-salting engineer (chemical engineer to produce drinking water from sea water). I was chosen to carry out this assignment. At this stage I remember that I had no idea what the well holding the water looked like. I went to Makkah and reported to the authorities at the Khaana-e-Ka’aba explaining my purpose of visit. They deputed a man to give me whatever help was required. When we reached the well, it was hard for me to believe that a pool of water, more like a small pond, about 18 by 14 feet was the well that supplied millions of gallons of water every year to Hajjis ever since it came into existence at the time of Hazrat Ibrahim, many, many centuries ago. I started my investigations and took the dimentions of the well. I asked the man to show me the depth of the well.

First he took a shower and descended into the water. Then he straightened his body. I saw that the water level came up to just above his shoulders. His height was around five feet eight inches. He then started moving from one corner to the other in the well (standing all the while since he was not allowed to dip his head into the water) in search of any inlet or pipeline inside the well to see from where the water came in. However, the man reported that he could not find any inlet or pipeline inside the well. I thought of another idea.

The water could be withdrawn rapidly with help of a big transfer pump which was installed at the well of the Aab-I-Zamzam storage tanks. In this way, the water level would drop enabling us to locate the point of entry of the water.

Surprisingly, nothing was observed during the pumping period, but I knew that this was the only method by which you could find the entrance of the water to the well. So I decided to repeat the process. But this time I instructed the man to stand still at one place and carefully observe any unusual thing happening inside the well. After a while, he suddenly he raised his hands and shouted, "Al-Hamdulillaah! I have found it. The sand is dancing beneath my feet as the water oozes out of the bed of the well." Then he moved around the well during the pumping period and noticed the same phenomenon everywhere in the well. Actually the flow of water into the well through the bed was equal at every point, thus keeping the level of water steady.

After I finished my observations, I took the samples of the water for European laboratories to test. Before I left the Khaana-e-Ka'aba I asked the authorities about the other wells around Makkah. I was told that these wells were mostly dry. When I reached my office in Jeddah, I reported my findings to my boss who listened with great interest but made a very irrational comment that the Zamzam well could be internally connected to the Red Sea.

How was it possible when Makkah is about 75 kilometers away from the sea and the wells located before the city usually remain dry?

The result of the water sample tested by the European laboratories and the one analyzed in our own laboratory were found to be almost identical.

The difference between Aab-e-Zamzam and other water (city water) was in the quantity of calcium and magnesium salts. The content of these was slightly higher in Aab-e-Zamzam. This may be why this water refreshes tired Hajjis, but more significantly, the water contains fluorides that have an effective germicidal action. Moreover, the remarks of the

European laboratories showed that the water was fit for drinking. Hence, the statement made by the Egiptian doctor was proved false. When this was reported to Shah Faisal he was extremely pleased and ordered the contradiction of the report in the european press. In a way, it was a blessing that this study was undertaken to show the chamical composition of the water. In fact, the more you explore, the more wonders surface and you find yourself believing implicitly in the miracles of this water that God bestowed as a gift on the faithfuls coming from far and wide to the desert land for Pilgrimage.

Let me sum up some of the features of Aab-e-Zamzam:

! This well has never dried up. On the contrary, it has always fulfilled the demand for water.

! It was always maintained the same salt composition and test ever since it came into existence.

! Its potability has always been universally recognized as pilgrims from all over the world visit Khana-e-Ka'aba every year for Hajj and Umrah, but have never complained about it. Instead, they have always enjoyed the water that refreshes them.

! Water tastes different at different places. Aab-e-Zamzam's appeal has always been universal.

! This water has never been chemically treated or chlorinated, as is the case with the water pumped into the cities.

! Biological growth and vegetation usually takes place in most wells. This makes the water unpalatable owing to the growth of algae causing taste and odour problems. But in the case of Aab-e-Zamzam well there wasn't any sign of biological growth.

Centuries ago, Bibi Hajra (S.A.) searched disperately for water in the hills of Safaa and Marwa to give to her newly born son Hazrat Ismail. As she ran from one place to another in search of water her child rubbed his feet against the sand. A pool of wate surfaced, and by the Grace of God, shaped itself into a well which came to be called Aab-e-Zamzam.
